ANTICHRIST AND THE NUMBER 41

Friends, this update looks ahead to the opening of Revelation 13:11 on the Clock one year from now, where the Antichrist's rise to power may occur in the Spring of 2023.

May 11, 2022 marks the completion of 80 solar years from the prophetic decree by Israeli Prime Minister, David Ben-Gurion, who announced the return of Palestine to Jewish hands in the Spring of 1942.

This was the date in modern Jewish history revealed to me during a divine visitation in my home in the Spring of 2010.

I had no prior knowledge of this date until the visitation when Christ appeared to me.

In Daniel, prophetic time is counted from points of decree, which is why I teach a final generation that began six years earlier than the United Nations' acknowledgment of Israeli statehood, referring instead Ben-Gurion's decree on May 11, 1942.

Now I want to share with you some amazing parallels between events in the holy land from 39 AD until 41 AD.

What follows will explain why the 41st year of the Antichrist was shown to me, and how it will mirror these remarkable events from Jewish history only months from now.

In 39 AD, Roman Emperor Caligula appointed Herod Agrippa I (Herod the Great's grandson) to the position of Tetrarch over Galilee and Perea.

Two years later in 41 AD, Caligula was assassinated, and Herod Agrippa was made king over Judea and Samaria by Emperor Claudius Ceasar.

[See Chapter 12 of Acts for reference to these events.]

In Revelation 13:3-5, the First Beast survives a near-fatal head wound, after which the Antichrist rises to power and the Church endures the greatest period of persecution in its history.

Claudius Caesar, who began his rule (as Emperor) in 41 AD after Caligula's murder, presided over Rome during a time of famine that swept over the earth, an event also recorded in Acts 11:28.

Prince William Arthur Louis Philip, who will reach 41 years of age on Rosh Hashanah in late 2022, will become King during a period of deprivation that is only beginning to spread as a result of war in the Ukraine.

While the First Beast in Revelation survives his deadly wound to become the “image” portion of 666, we know the two beasts will occupy the world stage together for a period of up to 1,260 days.

The combined authority of the two beasts will be used to enforce the MARK, and their persecution of the saints will plague both hemispheres.

The remnant states of ancient Rome, which we know today as the EU, will be the seat of the Antichrist's power, but only after the *second Trumpet* brings destruction to much of Europe.

The fall of God's judgment will reduce the 27 kingdoms of the EU to just 10 (Rev 17:12) after the Vatican and a third of Europe are consumed by the “great burning mountain,” a massive meteor that appears in Revelation 8:8 and 18:1-10.

The graphic below is taken from the Clock vector spreadsheet to show the arrival of Revelation 13:11 as early as a total solar eclipse on April 19/20, 2023, though it may occur at a later time.

Note: Column 2 shows the number of days since the birth date of the Prince on the date indicated; column 3 shows the number of days since the Microsoft-adjusted birth date of Barack Obama, which is 11.26.62.

This measurement is actually two – the first using the Daniel Key to mark the arrival of Revelation 13:11 in the year 2023, and the second showing the combined ages of the two beasts.

Their combined ages is a period of 101 years – a match to the 101 key code shown to me in the vision 12 years ago.

The main feature of this 101 year convergence is a 50 day window (8 verses) between the head wound to the *First Beast* and the rise of the Antichrist, who is the *Second Beast*.

The 50 day window was first derived using the Daniel Key to measure the text of Revelation 13 in both layers of the Clock, while a separate measurement based on the combined ages of

the First and Second Beast shows the same 50 day window in the Spring of 2023!

It is this convergence of the Daniel Key and the combined ages of the two beasts that point to the urgency of our Watch for all the events of Revelation 13.

As you know, I view the lapses of the Biden presidency as a pretext for the suspension of Constitutional law before the reappointment of Barack Obama to the US presidency.

This may occur even before we reach the US mid-terms in November of 2022.

Many in the Churches will soon conclude that Obama must be the Antichrist, however the central figure of 666 remains the Prince who rises to become King in the book of Daniel.

The Antichrist's Assyrian (Germanic) descent further affirms his figurehead role in the false Trinity we refer to as 666.

We have gone over the biographical details of 666 in many past updates, but for the sake of new readers, I want to be sure these roles are understood.

In Thessalonians, Paul describes a religious figure who declares himself to be God — an individual we should recognize as the False Prophet — seated in Rome and worshiped by millions of people.

Paul's portrayal of the False Prophet links him to 666 as the third member of a false Trinity, but not as the Antichrist himself.

The Antichrist, according to Daniel, will deny the god of his fathers, thus he could never be embraced, even by modern Jews, as a Messianic figure.

The same applies to a Muslim who denies the Islamic faith, making it impossible for a Mahdi, as well, to fulfill this prophecy.

We should be careful not to confuse these very distinct and separate roles which are often misrepresented by modern teachers.

While I cannot be certain of the year, a massive meteor described in Revelation 8:8 appeared in my vision at 2:58 PM on the Clock (prophetically) and thus points to the month of January in 2023.

I believe the False Prophet may meet his end when this “great burning mountain” strikes off the southern coast of Italy, sending a 1,600 mile wide firewall across one third of Europe.

It will be after this that the second beast, who is the Antichrist, directs worship to the “image” of the first beast following his survival of a deadly head wound.

The Antichrist himself will direct that the “image” be constructed – a hi-tech medical prosthesis in Obama’s likeness as stated in Revelation 13:14.

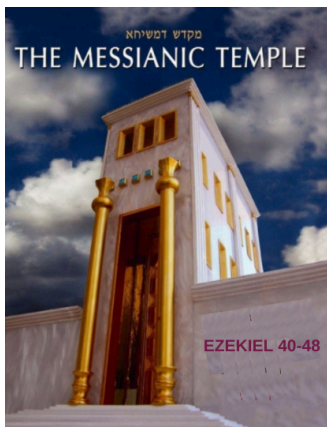

This technology will allow the disabled *First Beast* to address the public in a kind of resurrected body – a robotic representation of God’s risen Son that Satan will use to blaspheme the risen Savior.

It should not be difficult to see that the figurehead role of the Antichrist will be a blasphemous portrayal of God the Father, directing worship not to himself, but to the “son” through its “image,” and promoted by the False Prophet in a supporting role.

The temple is another area of misunderstanding by the modern Church.

Few realize that 70 AD marked the fulfillment of Daniel's prophesied desecration of the temple approximately 40 years after the Lord's death.

The future sanctuary is the third and final temple to be occupied by the Messiah himself, as stated in Ezekiel, therefore it cannot be polluted, desecrated, or destroyed.

Most teachers of eschatology today also overlook the removal of the temple's foundation stones in the year 135 AD after the final Jewish revolt, exactly as Jesus prophesied in Matthew 24:2 and Luke 21:6, 20, and 24.

Why is this important?

For one, these later events in the second century were Rome's response to an uprising led by Simon Bar-Kokhba, the self proclaimed Jewish Messiah.

In other words, the prophecy of Jesus that the Jews would receive one who comes in his own name was fulfilled by this false Messiah who brought about the destruction of the temple and the literal removal of every stone beneath the city!

This is significant because the Antichrist, according to Daniel, will disavow the God of his fathers, and since no religious Jew could embrace one who rejects the God of Abraham, Isaac, and Jacob, we know the Antichrist will not be Messianic.

This is also made clear in Isaiah 28:15, which states that Israel will enter into agreements with the Antichrist knowing his true nature, thus concealing their own motives when dealing with him.

In summary, the conclusion of 80 solar years on May 11, 2022 falls just six months before the Man-child passage recurs in the final layer of the *Clock* in November.

I believe this points to the spiritual rebirth of the Man-child since his physical birth took place in the Spring of 2014, thus he is waiting to be caught up to heaven before returning to rule with Christ in 2027.

I rejoice with you in celebration of the Lord's Resurrection as we approach the great harvest of the saints together!

God bless as you continue to Hear what the Spirit is saying to the churches:

"Behold, I come quickly!" (Rev 3:11)
