

NUMBERS UNIQUE TO 666

41	Referring to the age of the Prince after Rev 13:11 opened in 2023 / there are also historical citations for the year 41 in my April 20, 2022 Special Update
133	Referring to the head wound to the first beast in Revelation 13:3
222	Referring to verse 222, or Revelation 13:11, announcing the rise of the Antichrist / and note that 222 is one third of 666
229	Referring to verse 229, or Rev 13:18, which cites the number 666
269	This number converts to Sept 25th in MSFT, vectoring to the date of Rosh Hashanah in 2014 and 2022, both dates linked to William's biometric as explained in The 7 Thunders
306	Referring to Clock time at which Rev 13:3 opens / also calendar shorthand for March 6 which remains a watch date for us in 2025
317	Referring to Clock time at which Revelation 13:11 opens, marking the the rise of the Antichrist
331	Referring to Clock time at which William became 41 in 2023 and which remains a key vector
666	The number cited at exactly 229.76 in the book of Revelation, which is chapter 13 vs 18 and is also the biometric for Barack Obama born on day 22,976 in MSFT's date reference system
706	The same as 666 on the Clock due to conversion of point 6 on the Clock to one hour, thus 6 point 66 becomes six plus one hour plus six minutes, a Clock time that vectors to Jan 8, 2026
903	Referring to Prince William's exact time of birth on June 21, 1982, also seen in The 7 Thunders
1318	Referring to the passage in Revelation 13 that cites the number 666 at position 229.76

The total of all these numbers is 5,441.

NUMBERS UNIQUE TO THE MAN-CHILD

122	Referring to Rev 12:2 where the Man-child is born, and which vectored to the date of April 17, 2014
125	Referring to Rev 12:5 where the Man-child is caught up to God in heaven
144	Referring to the 144,000 taken out of the 12 tribes of Israel
153	The mystery bible number cited in John 21:11
240	Referring to the Clock time at which the Man-child was born / note that this time is also 14:40 in military notation, which is why the Clock reads 2:40 and 14:40 exactly the same
245	The Clock time at which the Man-child is caught up in Rev 12:5
417	The month and day of the Man-child's birth on day 1,217 of the Clock
541	The actual hour and minute of the Man-child's birth on its calendar vector date in 2014
726	Day 726 occurs at Clock time 12.48, and vectors to Rev 7:4, where we find the first mention of the 144,000, and which in Strongs is the Greek word harpazo, used only once in Revelation in Rev 12:5 where the Man-child is caught up to heaven
1217	Referring to both the Clock start date and the day count on which the Man-child was born one thousand 2 hundred and 17 days after the Clock start date
2111	John 21:11 cites the number 153 and was also used in the 7 Thunders to identify 666
6144	Referring to Clock time 6:144 which vectors to the date of May 29, 2025, the date of Ascension this year, and notice that the number 144 is embedded in this Clock time

Note: When we divide the Man-child's birth metric of 240 (Clock time) into the final number on the list, the number 6144, the result is 256, which as a Clock time (2.56) vectors to Revelation 12:13, where we find the second of only two mentions of the Man-child in Revelation by that term!

The total of this number group is 12,185.
