Q&A 139

Introduction

It was late one afternoon in May of 2008 when an angel of the Lord spoke to me where I stood alone in my bedroom. Although I did not see him, his voice was unlike any human voice I had ever heard. Without explanation, he told me to make note of the year 1942. To my knowledge, I had never before encountered an angel, nor did I have any idea why 1942 should be a year to make note of, or why this had been spoken to me.

I called a friend in California the same hour and asked him what he thought this could possibly mean. A non-Christian, he simply laughed. Quite honestly, from that day forward I tried to forget about it.

Later the same month, I experienced a prophetic dream about the seven Churches, and still other dreams followed, but nothing that would explain the importance of the year 1942. It was impossible to put it out of my mind, however, as on occasion I would see this number in some form as I drove around town, such as a street address, or as a set of transposed digits, like 1492, and this would trigger the feeling that there was something else I was supposed to know.

Almost exactly two years later, in the Spring of 2010, Jesus Christ appeared to me in broad daylight, standing in my living room, where I saw him in such splendid detail that words alone cannot describe what I saw. This divine visitation would bring closure to many, though not all, of my earlier questions. However puzzling at the time, these past experiences and images would soon fall into place as a result of words that Jesus himself would speak to me in the weeks that followed.

When I am asked about the visitation, I point to the words of John in Revelation chapter one, because what happened when Jesus appeared to him as he collapsed in front of him is exactly what it was like for me. I also fell at his feet as one dead.

Over a period of two months, Jesus spoke to me using what I refer to as *super audio*, a remarkable experience in which I heard the Lord speak to me using words beyond the range of everyday human hearing. His words were in English but I doubt that anyone else could have heard them. This continued to take place both in private as well as public places at various hours of the day and night, but in a manner both calming and reassuring.

I was warned of things to come and given a vision to comfort me on the morning of March 18, 2010. I

was caught up in the Spirit for about an hour around 9 O'clock that morning. The visitation continued for another 55 days, at the end of which I physically saw the Lord Jesus on the twelfth of May at 4:25PM in the afternoon.

Although I did not realize it at the time, the gift of prophecy was imparted to me that morning in late winter of 2010, just eight weeks before the Lord appeared to me in the month of May. I did not know at the time that his appearance was timed to mark the 68th anniversary of our *final generation*, where it had begun six years earlier than is taught by the modern Church. It was during these eight weeks of divine visitation that the *Clock of the Four Night Watches* was shown to me.

I know that my story is a challenge to many people, but I have had no choice but to share this end time message the best way I know how. The Lord referred to his "*measure of days*" just four days after the visitation began, a phrase not entirely familiar to me, though I had read the Old Testament from start to finish twice when I was very young. Only later did I recall that these words had been penned by King David in the book of Psalms more than two thousand years earlier: "*Lord, make me to know mine end, and the measure of my days, what it is: that I may know how frail I am.*" (Psl 39:4)

On the morning before my birthday, at 2AM on April 16, 2010, the Lord Jesus told me where to locate a document that would reveal the prophetic significance of 1942 in Jewish history. Other than his appearance to me almost four weeks later, this would be the most dramatic moment during the visitation and the revelation of his end time *Clock*.

Jesus told me exactly what to do, saying, “Now you will learn the mystery of 1942. Search the words, ‘*Israel rebirth 1942*.’” What little I knew about Bible prophecy at the time told me that the modern Jewish state had not come to exist before the year 1948. When I mentally reflected on this and began to ponder the Lord’s instruction to me with difficulty, he added abruptly, “*Just do it!*”

The result of the search query he gave me was a document now archived at my website, a historical Zionist publication showing the history of the Holy Land beginning in the late 19th century. ^{[1][2]} The entry for 1942 was the most remarkable of all. When I saw reference to an event in which Zionist Jews had gathered in New York City on May 9, 10, and 11, the Lord said to me, “This is what you are looking for. You will use the final date of that meeting.” It was a great moment for me because for two years I had felt that the answer to the mystery concerning 1942 would forever remain beyond my reach.

This large convention of American Jews at which Israel's first Prime Minister, David Ben-Gurion was a speaker, was unapologetically billed, "Let us Open the Gates to Palestine!" In addition to being the year in which British forces defeated Rommel's 3rd Army at El Alamein during WWII, it was a year of horrific darkness as Hitler's holocaust began to be unleashed upon the Jewish people. This was in direct fulfillment of the prophet Ezekiel's prophecy for God's outpoured wrath (Ez. 20:34) just before the rebirth of the Jewish state, a reminder that God often brings us to a place of judgment before extending his hand of grace and salvation!

There can be no doubt that the restoration of Jerusalem to the Jewish people brought fulfillment of both Old and New Testament prophecies marking this event at the beginning of a final generation of human government on Earth. Likewise, the words of Jesus in Matthew 24:32 describe the start of a prophetic summer followed by dramatic consummation at the battle of Armageddon, as foretold in the prophecies of both John and Daniel.

It was Prime Minister David Ben-Gurion's bold renunciation of the Balfour Declaration in 1942 that brought about the conditions necessary for the genesis of a modern Jewish state. This same meeting seeded the rebirth of Israel almost six years to the day earlier than is taught by the modern Church!

The new Zionist framework came to be called the *Biltmore Platform*, and it ultimately established Israel as a Commonwealth empowered to create its own borders, legislature, national defense, and financial markets. It was at this critical juncture in Jewish history that the breath of YAHWEH entered into the seed of Abraham, just one generation before the return of the Lord Jesus Christ!

Christians have been misled by well-meaning Bible teachers who believe we are to remain in the dark about these last days. The ability to quote Jesus is often mistaken for knowing how end time events will unfold. For example, when quoting Matthew 24:36, “...*of that day and hour knoweth no man... but My Father only...*”, Jesus makes reference to the “putting forth of leaves” in verse 32, a prophecy for the rebirth of the Jewish state at its conception in 1942.

What this means is that the words of Jesus had nothing to do with events at the *end* of our final generation, but rather to events at the *start* of that generation. The date known only to the Father is no longer future, but history!

Jesus also warned that failure to discern the signs of the end would mark those unprepared for His return shortly after the arrival of midnight on his end time

Clock, adding that he would come upon them as "a thief in the night" (Rev 3:3, Matthew 25:13.)

None of this means that we can calculate the date of the Rapture or the Second Coming. In fact, the length of a generation in scripture is not prescribed, but is rather a period of up to 80 Hebrew years. God will not do things according to our study of the calendar, pop-culture messaging, Illuminati-inspired prophecy, or any other form of human prediction. Part of the reason for this is that virtually no prophecy of the Bible will ever be fulfilled in just one 24-hour day.

When Jesus told me to measure the book of Revelation, and also the book of Psalms using Daniel's Master Prophecy Number, it was a divine revelation based on the mathematical structure of the Bible itself. I would have had no way of knowing this apart from his divine purpose in revealing it. It has since been proven by real time events where many key passages in the Bible have fallen on the *Clock*, some of which will be shown later in this book, and most of which have been documented in numerous articles at the website.

The purpose of the *Clock Prophecy* in giving us dates to *watch* is not to know the "day or hour," but to help us keep vigil as the Lord Jesus instructed

before he ascended into heaven. Other matters pertaining to prophecy, such as the *Rapture*, *Tribulation*, and the identity of the *Antichrist*, will be discussed in later chapters, as well.

In reviewing the *Clock of the Four Night Watches*, you will learn of a divine link between the book of Revelation and the book of Psalms using Daniel's Master Prophecy Number, 2,520. You will see that this mathematical connection gives us the earliest point in time, but not the latest, for fulfillment of many critical events in the book of Revelation.

While the divine mathematics of scripture may be of little interest to you, know that having a full grasp of the math is not necessary. I suggest you ponder the 7 divine proofs in Chapter 2 and at least skim the commentary beneath the monographs in Chapter 3.

For those willing to hear what the Spirit is saying to the churches, this end time message is an invitation to accept the King's royal invitation to enter the Marriage at your earliest and divinely appointed times. Pray according to Luke 21:36 and remember the words of the Master:

"And what I say unto you, I say unto all – WATCH!"
(Mark 13:37)

The Clock of the Four Night Watches

“Let your loins be girded about, and your lights burning; and ye yourselves like unto men that wait for their lord, when he will return from the wedding... and if he shall come in the second watch, or come in the third watch, and find them so, blessed are those servants.” (Luke 12:35-38)

When Jesus spoke to me early in the morning of April 16, 2010, the third *watch* of that particular night had just begun. But on the *Clock*^[3] he showed me in the days that followed, an inner ring depicting the passage of *four night watches* was marked to cover a period of exactly 2,086 days.

The Clock of the Four Night Watches

He told me that each *watch* would be equal to 521 and a half days, or about 17 months. This passage of time would mark a vigil of nearly 70 months beginning on December 17, 2010 and ending almost six years later, on September 2, 2016.

I am often asked where in the Bible mention is made of the *four night watches*. Here is what Jesus had to say about the night *watches* in the Gospel of Luke:

“Let your loins be girded about, and your lights burning; and ye yourselves like unto men that wait for their lord, when he will return from the wedding... and if he shall come in the second watch, or come in the third watch, and find them so, blessed are those servants.”(Luke 12:35-38)

The night watchmen of early Hebrew culture, and much later under Roman rule during the life of Christ, kept vigil using *four night watches*, dividing the hours of darkness into four equal segments of up to 3 hours each, depending on various factors, such as the amount of available daylight. Jesus referred to this in the passage quoted above, but Matthew also refers to a fourth and final *watch* of the night. It was in the fourth *watch* that Jesus famously walked on the water during a pre-dawn storm that tossed the little boat from which his disciples watched on in fear and amazement.

The Clock of the Four Night Watches

“And when he had sent the multitudes away, he went up into a mountain apart to pray: and when the evening was come, he was there alone. But the ship was now in the midst of the sea, tossed with waves: for the wind was contrary. And in the fourth watch of the night Jesus went unto them, walking on the sea.”(Matthew 14:23-25)

Jesus told me that I would mark his end time *Clock* to begin at 10PM and end eight prophetic hours later at 6AM, thus two hours were allotted to each of the *four night watches*. Only later did I realize that the parable of the vineyard workers in Matthew 20 also allotted eight hours of prophetic time to four groups of men who are sent into the fields of end time harvest!

It was later as well that I learned of the Hebrew word for cubit, which in Strong's is linked to the number 521, the same as the number of days in a *watch* on the *Clock*, and referring to a measurement of about 17 inches, the same as the number of months in a *watch!*

As already mentioned, we entered the *four night watches* on December 17, 2010, a key date in history for several reasons. Keep in mind that I had no knowledge of the significance of such dates until *after* the *Clock* had been shown to me.

The Clock of the Four Night Watches

The tenth of Tevet, which fell on December 17 in 2010, is a day of national mourning on which Jews commemorate the siege of Jerusalem by King Nebuchadnezzar in about 590BC. This day has special significance when it falls on a Sabbath, and it did so in 2010, thus it was also marked by a solemn fast. In addition, the same date is now ascribed by historians as the first day of *Arab Spring*, a fulfillment of Matthew 24:7 which prophesies the rise of nation and kingdom against one another in the holy land before a final and climactic prophetic summer.

After being told the date on which our final generation began in 1942, as well as the date on which the *four night watches* would begin later in 2010, I still did not know when all these things would come to an end. Would Jesus return during the *four night watches*? Other than the day on which I saw the Lord during his visitation, the most dramatic moment of all would be the night that Jesus revealed to me the end date on his *Clock!*

He showed me a mystery about the number 2016 that held the key to his *measure of days*, revealing a period of separation between May 11, 1942 and September 2, 2016, a span of some 27,143 days.

The Clock of the Four Night Watches

The answer was hidden in the unique factors of that number and no other, and while some of this must remain a mystery for now, I can share a most amazing fact that you can easily confirm for yourself. The sum of the four largest factors of 2016, and no other number, is equal to the number of days in Daniel's 70th Week, which is 2,520!

When Jesus showed me where the *Clock* ends, he was pointing to Revelation 19:15, the passage of scripture he associated with that date on the *Clock*. I had no idea what this passage said until I looked it up, at which time it became clear to me that Jesus was pointing to the battle of Armageddon and the conquest of the nations at his return!

“And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron: and he treadeth the winepress of the fierceness and wrath of Almighty God.”(Rev 19:15)

Most Bible prophecy teachers present this great battle as taking place only in northern Israel, but this passage shows it will not be confined to the Jewish state. The sword of his mouth will be used to smite all the nations of the world and bring all of them under his divine authority. His conquest of the nations will therefore not remain central to the

The Clock of the Four Night Watches

Middle East, but will move around the globe as the saints take control of every province, city, and kingdom. While this may perhaps occur in a single day, I believe that God will instead bring fulfillment of this prophecy over a period of time between 24 and 48 months.

Later in this book, I will show why this great battle between God and the nations, which begins on the *Clock* in late 2016, is likely to span a period of some two years. This would carry us forward to the end of an amazing lunar cycle of eclipses ^[4] that began in late 2010 just four days after the *Clock* start date. This would place the return of the Lord Jesus on a day of Sukkot in late September of 2018!

I originally thought the *Clock* end date would bring our final generation to a close in late 2016, but in light of our place on the timeline without having seen the rise of the *Antichrist*, I now realize that the events of the seventh Seal will not occur until after we reach the end of the *fourth watch*. This has become compelling for a number of reasons.

First, Jesus said the night cometh when no man would be able to work, and this might refer to events after the final *watch* on the *Clock*. Second, it was never the purpose of the *Clock* to give us the “day or hour,” rather its purpose has been to help us keep vigil as we watch, as Jesus instructed.

The Clock of the Four Night Watches

Third, the outpouring of God's wrath is consistent with the words of the Lord that he would gather those who watch for him during a time like that of Noah. Remember that the Ark in which Noah and his family escaped rose only after the rain of God's divine Judgment had begun to fall. It is also true that God revealed to Noah the day on which the Flood was to begin, which is why he entered the Ark 7 days earlier (Gen 7:4.)

While all of these events may not conclude in the year 2016 as I had hoped, we can be sure that time for those who hear what the Spirit is saying to the churches is coming quickly to an end!

Prophecies Revealed Using the Mathematical Structure of the Bible

“Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will shew you things to come.”

(John 16:13)

Early in the 20th century, Harvard trained mathematics professor Ivan Panin, who had immigrated to the US from Russia in 1878, turned his attention to the structure of the byzantine text of the New Testament. Panin’s interest in the biblical manuscript was an extension of his studies in textual criticism at Harvard, which included course work in

The Clock of the Four Night Watches

both ancient Greek and biblical Hebrew. Since Panin was agnostic, his interest in the New Testament was a purely scientific one, but his discoveries would soon lead to a dramatic shift in both his personal life and in the course of his distinguished career.

The professor sent a shockwave through academia with his 1891 publication, *The Structure of the Bible: A Proof of the Verbal Inspiration of Scripture*. His analysis that the underlying texts of the Old and New Testaments contained numeric patterns exceeding the possibility of chance were thoroughly documented and published. These features of the Greek and Hebrew of the Bible led Panin to not only renounce his agnosticism, but to become a devout Christian, as well.

In 1994, mathematician Eliyahu Rips of the Hebrew University of Jerusalem, and others, made headlines with a study of the Torah based on equidistant letter spacing (ELS) from the Hebrew text of the Bible, which they published in the scientific journal, *Statistical Science*. These were carefully performed tests using computer software designed to move through large volumes of Hebrew text, and the title

Prophecies Revealed using the Mathematical Structure of the Bible of their paper presented to the academic world was, “*A Challenging Puzzle.*”

More recently, former lead Cryptologist for the NSA, Harold Gans, who is now retired, in various articles on what has come to be called Bible Code research, shares why he believes many of the anomalies in these earlier Torah experiments were not engineered by human authors, but by God himself.

In 2010, during a visitation of the Lord Jesus in my home over a period of several weeks, during which I saw him, I was shown a *Clock* with three outer rings, an image I describe in numerous articles at my prophecy website. The *Clock Prophecy*, as I refer to it, has a statistical relationship to the text of scripture not unlike the mathematical features discovered by Ivan Panin, or to the encoded messages found in the Torah using Equidistant Letter Spacing (ELS) uncovered by Jewish scholars.

My purpose in describing this earlier evidence for the divine inspiration of the Bible is to show that the *Clock of the Four Night Watches* is yet another layer

The Clock of the Four Night Watches
of prophetic fulfillment before the return of Jesus
Christ after the *Clock* end date in late 2016.

The *Clock* points to the battle of Armageddon as early as September 2, 2016, at which time Israel will come under assault by her enemies, as described in Revelation 19:15, the verse Jesus was pointing to when he appeared to me in the Spring of 2010 and showed me his end time *Clock*. Since there are still a few years remaining in our final generation, however, I cannot say in what year the Millennial reign of Christ on Earth will begin. Later, we will see how the Psalm 83 war, Armageddon, and the head wound event in Revelation 13:3, are divinely linked in scripture!

Before we consider a set of prophetic proofs that the *Clock* is real, we need to know how the *Clock* works. When Jesus appeared to me six years ago, he told me to measure each verse of Revelation by dividing the total number of verses, a total of 404, into the length of Daniel's final week, which is 2,520 days. I was also told to measure the verses in the book of Psalms in the same way, dividing 2,520 by 2,461 verses.

Prophecies Revealed using the Mathematical Structure of the Bible

I was also told to mark where the verses of Revelation fall on the modern calendar by adding these time increments to the Tenth of Tevet in 2010, which in that year fell on December 17, 2010. I was further told that the *Clock* would come to an end on September 2, 2016 with the placement of Revelation 19:15, where Jesus was pointing when he showed me the *Clock*. Here is the math to demonstrate how this verse in Revelation indeed arrives that day on the *Clock* in late 2016:

$$\begin{aligned} & \text{December 17, 2010} + ((2520 / 404) \times 334.4) \\ & = \text{September 2, 2016} \end{aligned}$$

[The number 334.4 points to roughly the middle of Rev. 19:15, which is the 335th verse of Revelation]

Last, I was told to divide this period of 2,086 days into four night *watches*, so that each *watch* would represent a period of 521 and a half days, or about 17 months. And I was told to mark this end time *Clock* to begin prophetically at 10PM, and to end at 6AM, giving us a total of eight prophetic hours, thus each *watch* is equal to two prophetic hours, with each hour lasting about 261 days. Since these 2,086 days

The Clock of the Four Night Watches are represented by eight prophetic hours equal to 480 prophetic minutes, we can know the time allotted to each minute on the *Clock* by dividing that number of minutes into 2,086 days, as shown here:

$$2,086 / 480 = 4.34 \text{ days per minute on the } \textit{Clock}$$

While it is not possible to fully annotate the *Clock* graphic due to its size, I refer to both the *Clock of Revelation* and the *Clock of Psalms* because both books are linked mathematically to the *Clock*. We will reach Revelation 19:15 and Psalms 119:79 together on September 2, 2016, however we can find any point in time in either book of prophecy before then by adding the appropriate time increment to our start date of December 17, 2010.

More importantly, we can see where a particular verse in one book of prophecy falls in the other book of prophecy at the same moment in time!

We can summarize the *Clock* structure as follows:

- 1) Based on the number of verses in the book of Revelation (404) and Psalms (2,461)

Prophecies Revealed using the Mathematical Structure of the Bible

2) Based on dividing these verse totals into Daniel's Master Prophecy Number (2,520)

3) Based on a start date of December 17, 2010 and an end date of September 2, 2016

We will apply this simple structure to find out where the seven letters to the seven churches in Revelation came to an end on the *Clock* and also in real time. There are a total of 71 verses in the first three chapters of Revelation. Thus:

$$\text{December 17, 2010} + ((2,520 / 404) \times 71) \\ = \text{March 12, 2012}$$

To know what time on the *Clock* is represented by this result, we need only divide the number of days since the *Clock* started until March 12, 2012 by the increment representing one minute on the *Clock*, then add the result to 10PM:

$$\text{Mar 12, 2012} - \text{Dec 17, 2010} = 443 \\ 443 / (2,086 \text{ days} / 480 \text{ minutes}) = 102 \\ 10\text{PM} + 102 \text{ minutes} = 11:42\text{PM}$$

Let us now find where a particular date falls on the *Clock* and what verse in the book of Revelation it is linked to. I want to use the all-important historical

The Clock of the Four Night Watches

date of August 8, 2012, due to convergence that day with the opening of the first Seal,^[4] which we will look at more closely in a moment. I also want to look at the “*white horse*” reference in the subsequent verse, Revelation 6:2, and its placement in the book of Psalms. Here is the math for day 600 on the *Clock*:

$$(\text{Aug 8, 2012} - \text{Dec 17, 2010}) / (2,520 / 404) = 96.2$$

[This result moves fractionally into Revelation 6:1, which is the 97th verse of Revelation.]

Now let us find where John’s description of the conqueror on a *white horse* takes place in the book of Psalms. We must first calculate the number of days Revelation 6:2 adds up to using the Revelation time increment, as shown here:

$$97.2 \times (2,520 / 404) = 606.3$$

[The “*white horse*” reference in Rev. 6:2 falls fractionally into the 98th verse of Revelation]

Finally, we use the Psalms time increment to locate the corresponding verse in the book of Psalms:

$$606.3 / (2,520 / 2461) = 592.1 \text{ (verse 593)}$$

[The 593rd verse in Psalms is Psalm 40:7]

Prophecies Revealed using the Mathematical Structure of the Bible
This placement is a key proof of the *Clock Prophecy* due to the link connecting Revelation 6:1,2 and Psalms 40:7, also discussed in my video, *The White Horse of the Apocalypse: Revealing the 7 Thunders*.

The above examples can be used to find other key passages on the *Clock* by following the same steps and inserting the appropriate verse count to find key prophetic links between Revelation and Psalms.

What follows are numerous divine proofs for the *Clock Prophecy* and several statistical features that could not have been invented by me. We will examine these key placements of scripture on the *Clock* and how they link to events in real time. The math will also be provided so that you can check the evidence for yourself.

Let us begin with several key convergences on the *Clock* that I could not have foreseen as they occurred long after the revelation of the *Clock* during the Spring of 2010, which is why I rarely delete material at the website.

1. Arab Spring begins on *Clock* Start date – December 17, 2010.

The Clock of the Four Night Watches

The *Clock* was revealed in the Spring of 2010, nine months before the date to which historians later ascribed the start of the *Arab Spring* based on events in Tunisia the day before. Some sources use the 17th and others use the 18th of December, 2010, possibly due to a time zone difference between America and the Middle East.

Link: www.sourcewatch.org/index.php/Arab_Spring

2. Annular eclipses at both “midnight” in 2012 and on the *Clock* end date in late 2016.

An annular (not annual) eclipse on May 21, 2012, the first in 18 years, converged with midnight on the *Clock* and will converge again at the *Clock* end date on September 2, 2016.

3. World's largest recorded storm occurs where Revelation 6:1 fell on the *Clock* to mark the opening of the First Seal. ^[4b]

A blizzard blanketing over 400,000 square miles of South Africa in one morning affected nine countries and tens of millions of people, but remains under-reported to this day.

This remarkable weather event also converged with Psalm 40:7, which prophesies the coming of the Messiah, making it the most important *Clock Prophecy* matrix in scripture. See documentation in my video, *The White Horse of the Apocalypse – Revealing the 7 Thunders*.

4. Abomination of Desolation prefigured 1,260 days before *Clock* end date in late 2016.

President Barack Obama, a forerunner to the *Antichrist* (the *Second Beast*), fulfilled an early layer of prophecy by entering the Church of the Nativity in Bethlehem on March 22, 2013, exactly 1,260 days before the end date on the *Clock*. Again, this does not identify Barack Obama as the *Antichrist* figurehead. See my discussion of his role in Bible prophecy in Chapter 6, where I explain the difference, as well as identification of *666*.

The significance of ISON was its convergence with Revelation 10:1 at the same time as pictograms embedded in the comet became visible from the Earth! Again, not only is ISON the angelic messenger that John describes in this chapter, but ISON carried the proof of that message in the form of pictograms as the comet passed by in real time! 6. Persecution of Eastern Churches where Psalm 74:1-9 fell on the *Clock* in the Spring of 2014.

We entered *Book III* of the Psalms, also known as *The Leviticus Book*, whose theme is *Concerning the Sanctuary*, with the arrival of Psalm 73 on the *Clock* in late 2013. And since that time, the majority of atrocities committed by ISIS against Christians in the eastern churches has occurred in all those areas first evangelized by the Apostle Paul. This has resulted in the destruction of hundreds of sanctuaries exactly as described in this passage. Remarkably, this portion of Psalms is also linked mathematically to Revelation 12:7-9, in which John describes the war in heaven between Michael and the Dragon, at which time Satan and his angels are cast down to earth out of heaven!

7. Acra fortress excavation and confirmation occurs in real time where it fell on the *Clock* at Revelation 17:8.

An announcement out of Jerusalem on November 3, 2015 confirmed the discovery of the Acra fortress built by Antiochus IV Epiphanes during a period of

Jewish oppression in about 168BCE. We can be sure that the spirit from the Abyss to be revived in human form will be that of this contemptible Greek King who sacrificed pigs on the altar of the temple and forced the Jews to eat them. This excavation prophetically exhumes Antiochus IV in direct fulfillment of this passage because the announcement took place during our passage through this remarkable verse on the *Clock!*

These convergences of scripture on the *Clock*, however remarkable, are not exhaustive, as many others have been documented in various articles and updates at the website. In Chapter 3, the most dramatic proof for the *Clock Prophecy* will be shown in a set of monographs that mathematically prove the divine link between Revelation and the book of Psalms.

It is my hope that by using Daniel’s Master Prophecy Number to show equivalent prophecies found in both prophetic books of scripture, you will come to realize that we are indeed living in the *last* of these last days!

The Psalms-Revelation Connection: More Proof of the Clock Prophecy

“For nothing is secret, that shall not be made manifest; neither any thing hid, that shall not be known and come abroad.” (Luke 8:17)

How would you know if an end time prophecy was real, or the product of someone’s imagination, or otherwise false? Would not God himself give witness to the truth of what is being prophesied? According to scripture, there must be two or three witnesses to establish the validity of any prophetic message. And as you are about to see, there are two divinely placed witnesses on behalf of God’s *Clock* of the end times.

The Clock of the Four Night Watches

The two witnesses of the *Clock Prophecy* are found using a divinely placed mathematical link that uses Daniel's Master Prophecy Number to connect prophecies from the book of Revelation to equivalent prophecies found in the book of Psalms! In many cases, these match ups are giving us an exact point of fulfillment in real time, while in other instances we are reminded that only the Father knows the exact timing of future events.

While it is true that we cannot predict or calculate the "day or hour" of any future happening, we also have proof that God has authored these divine links in scripture to guide us forward. He alone is in control of these unfolding prophecies, and his divine signature reminds us that the *Clock* end date in late 2016 carries special significance for both the Church and for Israel.

Some of the details in the monographs that follow were presented in the last chapter, but the graphic format in this chapter will more powerfully demonstrate them. Again, all of this is to help you understand the importance of the *Clock* end date in late 2016, and why we are entering the final months

The Psalms-Revelation Connection: More Proof of the Clock Prophecy of the last generation of human government on Earth. This is not about the end of the world, but rather the beginning of a new world under the divine rule and authority of Jesus Christ.

The first pair of monographs is the most important because it shows the mathematical connection between the prophesied coming of Messiah in Psalms 40:7 and the white horse described by John in Revelation 6:1,2. These verses are divinely linked, and their importance cannot be overstated. The fact they are connected shows that the first Seal, which is already in progress, has nothing to do with the appearance of the *Antichrist*, whose arrival on the *Clock* now appears timed to the conclusion of the *fourth watch*, which will end just several months from now as I write these words.

The significance of this key biblical matrix is further supported by four detailed monographs at the end of this chapter to show the mathematical link between these passages as only God could have orchestrated them. A full discussion of these numbers can be found at my website, and in the video, *The White Horse of the Apocalypse: Revealing the 7 Thunders*.

The Clock of the Four Night Watches

Before we view the *Clock Prophecy* monographs, let me briefly address the issue of Rapture timing and why this did not occur before the opening of the first Seal in August of 2012, as many had expected. I believe that Rapture timing is tied to the removal of the Holy Spirit, and that because the rise of the *Antichrist* has been prevented by him so far, the Church has been required to continue in ministry throughout the *four night watches*.

I continue to believe the early Raptures will occur, and I believe they will take place during the early trumpets of the 7th Seal, specifically between the 3rd and 6th trumpets. There must also be a final Rapture shortly before Jesus re-enters Jerusalem to begin his Millennial reign on the Earth, removing those who are alive and remain at that time.

What follows is graphic proof that the *Clock Prophecy* is real and unfolding even as you read the pages of this book!

As noted above, this first monograph has special significance due to its convergence with John's description of the white horse in Revelation

The Clock of the Four Night Watches

Chapter 6, fully five chapters before the first mention of either beast (including the *Antichrist*, who is the *Second Beast*) and later the *False Prophet*. In addition, there was a convergence on this date with the largest storm in recorded history, affecting tens of millions of people in just 36 hours! Incredibly, an angelic messenger was sent to me the same hour, the very morning this passage arrived on the *Clock*, to affirm that the first Seal had opened with a physical manifestation to mark the start of a spiritual event.

Detailed graphs in support of this Bible matrix document how the text of Revelation and Psalms are linked to identify Jesus Christ as the rider on the white horse of Revelation. ^{[25] [26] [27] [28]} The conquest of Christ over modern Babylon is prophesied earlier in Revelation 11:15, and its placement on the *Clock* shows that the war of the Lamb and the Beast is not a one-day event as the modern church believes, but that it began during the *four night Watches* long before Christ is to appear. In fact, the battle to end all battles began in late 2012 and will not end until Jesus liberates Jerusalem and smites the nations of the world with the sword of his mouth (Rev 19:15.)

The Clock of the Four Night Watches

While the modern Church believes each Seal will be fulfilled on a particular “day or hour,” the truth is that each Seal is a long-running series of events that cannot be confined to one 24-hour period of time.

In my September 8, 2014 update at the website, I go into great detail how this prophecy began to be fulfilled where it fell on the *Clock*, and why its effects will continue to be felt until the return of Christ as early as the Fall of 2018.

This is covered in my November 8, 2015 update at the website, and demonstrates the link between this passage and the most hated of all tyrants by the Jewish people. Again, this was another real-time fulfillment where it actually occurred on the *Clock of the Four Night Watches!*

These mathematical proofs for the *Clock* represent many but not all the divine links discussed over the years by this ministry. I will close Chapter three by noting just two additional proofs that you may have overlooked in various articles and updates at the website.

One of the things John wrote about that many find puzzling in the book of Revelation is the "half hour of silence" in heaven (Rev 8:1) at the opening of the 7th Seal. It was more than a year after the Lord's visitation that I discovered the *Clock* actually measures this period of silence to the minute, and in so doing reveals the number of days it represents on our modern calendar!

When the Holy Spirit first prompted me to look at this, I was overjoyed but went over it again and

The Clock of the Four Night Watches

again just to be sure I wasn't dreaming. In Revelation Chapter 6, John prophesies the opening of the 6th Seal, an event that shakes the Earth and heavens. Since this "half hour" takes place before the events of the 7th Seal, we know it has to fall between the end of the 6th Seal and the first trumpet of the 7th Seal. By counting carefully, we can see there are 23 verses of scripture between the end of Chapter 6 and Revelation 8:7, where the first trumpet of the 7th Seal is blown. We learned in the previous chapter that a verse in Revelation is equal to nearly 6 and a quarter days, so now we can measure the period of days in these 23 verses as follows:

$$23 \times 6.25 = 144 \text{ days}$$

We also learned that each minute on the *Clock of the Four Night Watches* is equal to about 4 and a third days, the result of dividing 480 prophetic minutes into 2086 days, the period of time measured by the *Clock*. To find out the number of minutes in 144 days, we need only divide that number by the number of days representing one minute on the *Clock*.

Thus:

$$144 / 4.33 = 33$$

Thirty three minutes! Now read carefully what John wrote in Revelation 8:1:

"And when he had opened the seventh seal, there was silence in heaven about the space of half an hour..."

This shows that time measured by the *Clock* using the verse structure in the Bible is divinely linked to the underlying text, and that is why I refer to the book of Revelation and the book of Psalms as the two witnesses of this end time prophecy.

Finally, as we reach the end date on the *Clock* in late 2016, I want to point out a divine attribute of this number and what makes it special. We covered this in Chapter One, but it bears repeating. A numeric mystery connects the number of days in Daniel's final week of years (2,520) and the number 2016, which is also the year in which the *Clock of the Four Night Watches* will come to an end.

The Clock of the Four Night Watches

This mystery is found in the unique factors of the number 2016 and no other, as shown below. The sum of the four largest factors of 2016, meaning the four largest numbers that divide evenly into it, is exactly equal to the number of days in Daniel's 70th Week, which is 2,520!

$$1,008 + 672 + 504 + 336 = 2,520$$

We will discuss the full implications of Daniel's final week of years in Chapter 4.

What the Bible Really Says about 7 Years of Tribulation

“Immediately after the tribulation of those days shall the sun be darkened, and the moon shall not give her light, and the stars shall fall from heaven, and the powers of the heavens shall be shaken.”

(Matthew 24:29)

The biblical timeline is said to be a span of 7,000 years, an era that began at Creation and ends with the Millennial reign of Christ 1,000 years after his return. Later in this book, I will show why the last 1,000 years of human history as described in Revelation 20:4 may begin no later than the Fall of

The Clock of the Four Night Watches
2020, and that evidence from the divine structure of
the Bible shows it most likely will begin in late 2018.

In this chapter, however, I want to discuss a much smaller segment of time, known to most in the modern church as a period of seven years called the *Tribulation Period*. While this term has come to mean many things to many people, it refers mainly to a point in time immediately before the return of Christ, and is based solely on one verse found in the book of Daniel.

In order to understand the source of this popular teaching, we have to first look at its connection to the Daniel passage, then examine what Jesus said about a final generation, described by him as the *tribulation of those days*. What we will find is that modern doctrine, when compared to the words of Jesus, may not agree with Daniel's own description of future history, what he called the *latter days* or the *end of days*.

We begin by reading carefully what Daniel says as recorded in the King James Bible:

What the Bible Really Says about 7 Years of Tribulation
"Know therefore and understand, that from the going forth of the commandment to restore and to build Jerusalem unto the Messiah the Prince shall be seven weeks, and threescore and two weeks: the street shall be built again, and the wall, even in troublous times. And AFTER threescore and two weeks shall Messiah be cut off.." (Dan 9:25,26)
[CAPS added for emphasis.]

Daniel had been given a prophecy of 70 weeks representing seven years each, or a total of 490 years, which were to begin with the restoration of Jerusalem and end with the return of Messiah at the end of the Age. A key Messianic fulfillment would be the appearance of Christ at the end of the 69th week, which Daniel describes by referring to one segment of seven weeks and another of sixty-two weeks (69 weeks cumulatively), using the words *"unto Messiah."*

Modern Bible prophecy teachers interpret verse 26 to mean that Messiah was to be cut off on the final day of the 69th week, even though the Hebrew word used here is *achar* (H310), meaning *after*, and even though the words *unto Messiah* are used to mark the

The Clock of the Four Night Watches

arrival of Christ at the end of the 69th week in verse 25, while noting his death at some point *later* in the following verse. Note that we see the Hebrew word *achar* used throughout the Old Testament to describe the genealogy of offspring, whose order of birth must naturally take place only *after* the birth of their parents.

This is important because if the crucifixion took place after the final day of the 69th Week, as Daniel says it would, then Christ was hung on the cross during the 70th Week and only a portion of the final Week remains to be fulfilled! It should be understood that the seven year tribulation doctrine is based on this one assumption, namely that Messiah was cut off on exactly the last day of the 69th Week, rather than during the 70th Week as Daniel wrote.

Our careful examination reveals not only the error of this clear misquotation, it shows that Daniel marked the conclusion of the 69th Week at an earlier point in the life of Christ!

What event did Daniel prophesy using the words “*unto Messiah?*” What really happened at the end of the 69th Week? My study of scripture persuades me

What the Bible Really Says about 7 Years of Tribulation that Daniel is referring here to the start of the Lord's ministry to the Jews, and specifically to the day Jesus was baptized by John in the Jordan. I believe this is how Jesus fulfilled his promise to shorten the days for the sake of the Elect, reducing the final *Week* of Daniel by the period of his ministry until his own death!

Now we come to Daniel 9:27, which may be the least understood of all verses in his book of prophecy, and again we will read from the King James Bible:

“And he shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate.”
(Dan 9:27)

It is said that Daniel 9:27 prophesies the abomination of desolation foretold by Jesus in Matthew 24, however this interpretation compounds the error already discussed in the earlier passage by placing the ministry of Jesus *outside* the final *Week* of years.

The Clock of the Four Night Watches

Please note that Daniel uses the word *abominations* in the plural to denote more than one fulfillment. If we embrace this passage for what it says rather than for what the modern church believes, we see that the abomination described by Jesus is an entirely separate prophetic event.

It is because Daniel placed the death of Messiah during the 70th Week that we can be sure verse 27 points instead to Messiah's crucifixion as an annulment of animal sacrifice at the end of his ministry. The parting of the curtain in the temple at the Lord's death is an unmistakable affirmation of this historic fulfillment.

Why does Daniel prophesy a Messianic covenant for just one week? Because the invitation to receive atonement through faith in Christ only remains in effect until Messiah returns at the end of the Week in which his ministry began – the final *Week* of Daniel's prophecy!

I believe the length of Jesus' ministry to have been a period of 1,064 days. In a later chapter, we will see how the *Clock* shows Daniel's final *Week* to have resumed near its mid-point at Yom Kippur in 2014,

What the Bible Really Says about 7 Years of Tribulation and that the period of time remaining in that final *Week* is 1,456 days. This would place the Lord's re-entry into Jerusalem during Sukkot in late September of 2018.

It may be that the 1,335th day of this period, which falls in late Spring of 2018, will mark the point at which the final Raptures also begin. I do not claim any of these points in time to represent the "day or hour" of any future event, but rather days to *watch*.

Let us now turn to the words of Jesus in Matthew 24. We want to know how Jesus used the word *tribulation* in reference to our time. When people see the *Clock of the Four Night Watches*, they immediately think of his words in the last portion of this verse:

"But of that day and hour knoweth no man, no, not the angels of heaven, but my Father only."
(Matt 24:36)

It is seldom asked whether we understand *which day and hour* Jesus was referring to, or why the Greek word *parousia*, referring to his world wide appearing, does not appear in this portion of the text.

The Clock of the Four Night Watches

Before we continue, remember that no verse of scripture should be given a private interpretation (2 Peter 1:20.) Because of that, there is far more we need to understand in the words of Jesus about our place on the timeline than we can learn by reading just one verse out of Matthew. I want to include the four verses ending with the one just quoted but also the verse following, and then read it all together in context.

"Now learn a parable of the fig tree; When his branch is yet tender, and putteth forth leaves, ye know that SUMMER is nigh: 33 So likewise ye, when ye shall see all these things, know that IT is near, even at the doors. 34 Verily I say unto you, This GENERATION shall not pass, till all these things be fulfilled. 35 Heaven and earth shall pass away, but my words shall not pass away. 36 But of THAT DAY and hour knoweth no man, no, not the angels of heaven, but my Father only. 37 But as the DAYS of Noah were, so shall also the coming of the Son of man be." (Matt 24:32-36) [Caps added for emphasis]

What the Bible Really Says about 7 Years of Tribulation

We can see that Jesus covered the full length of our final generation in this passage, with an emphasis on where it begins, and closed with a reminder about the days of Noah. I amplified key words in these verses to show which particular day in the future Jesus was referring to. We know that Noah prefigures the testimony of the two witnesses in Revelation before the fall of God's wrath, but what we forget is that God revealed to him the time remaining until the Flood before he and his family entered the Ark. Here is what God said to him:

“For yet seven days, and I will cause it to rain upon the earth forty days and forty nights; and every living substance that I have made will I destroy from off the face of the earth.”(Gen 7:4)

We are told in Amos 3:7 that God will never send Judgment without revealing his timeline. Also in these verses, Jesus cites the parable of the fig tree to mark the start of a prophetic summer when the Jewish nation would someday be re-born and a final generation would begin. Jesus himself counted forward from this point in time to reveal which generation of human government would be the last.

The Clock of the Four Night Watches

It should be clear when reading these verses that the day known only to the Father was the first day of our final generation, a day that is no longer future, but history!

The words of Christ in Matthew contain yet another surprise for us. Jesus said the coming of the Son of Man would be as the *days* of Noah, thus the Second Coming must also be more than a one-day event! And this is what Jesus has revealed to us through the *Clock Prophecy*, that his return is not confined to just one 24-hour day, but is rather marked by a period of conquest during the opening of each of the seven Seals. Not only is this why we cannot know the “day or hour,” it is also why the divine structure of the Bible points to the opening of the First Seal of Revelation in late 2012! [See Chapter 3 for the key Bible matrix documenting this.]

All of this shows how the modern church has been badly misquoting Jesus for a very long time. Regarding what Jesus meant by his use of the word *tribulation* in Matthew 24, it appears the modern church has misrepresented what he said in order to simplify its end times doctrine, as well as to increase

What the Bible Really Says about 7 Years of Tribulation
its sale of books and tapes, perpetuating the "some
day not now" view of the end times.

A careful review of the New Testament reveals that
not a single word spoken by Jesus, John, Peter,
or Paul, makes reference to a seven year period of
tribulation at the end of the Age. Let's quote more of
what Jesus said in the earlier portion of the Olivet
Discourse:

*"And Jesus answered and said unto them, Take heed
that no man deceive you. 5 For many shall come in
my name, saying, I am Christ; and shall deceive
many. 6 And ye shall hear of wars and rumors of
wars: see that ye be not troubled: for all these things
must come to pass, but the end is not yet. 7 For
nation shall rise against nation, and kingdom against
kingdom: and there shall be famines, and
pestilences, and earthquakes, in divers places. 8 All
these are the beginning of sorrows. 9 Then shall they
deliver you up to be afflicted, and shall kill you: and
ye shall be hated of all nations for my name's sake.
10 And then shall many be offended, and shall
betray one another, and shall hate one another.
11 And many false prophets shall rise, and shall*

The Clock of the Four Night Watches

deceive many. 12 And because iniquity shall abound, the love of many shall wax cold. 13 But he that shall endure unto the end, the same shall be saved. 14 And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come."(Matthew 24:4-14)

Jesus gave a detailed account of events that are to occur before he returns. We can see that ten of these eleven end time prophecies have without question been fulfilled already. One key event found in verse 32 points to the restoration of the Jewish people in the land of Israel. In fact, this is the key that identifies the start of our final generation in 1942, almost six years to the day earlier than is taught by modern Bible prophecy teachers. This is explained fully in the Introduction of this book.

One final prophecy that remains to be fulfilled is the global reach of the Gospel into every nation, and that is quickly coming to pass through the radio ministry of FEBC, and others like them. I encourage you to support FEBC, which is preaching the Gospel daily to those in underdeveloped, oppressed, and totalitarian countries all around the world.

What the Bible Really Says about 7 Years of Tribulation
I hope you can see that Jesus marked the revival of the Jewish state beginning in 1942 (see the *introduction* of this book for why 1942 is consistent with the prophecies of Daniel) to indicate the start of *tribulation*, and did not prescribe a length of time for it shorter than the length of a generation. While the Lord's first coming was revealed in a way the Jews could have discerned but did not, his second coming will make use of the numbers in Daniel in a far more remarkable way.

Already the Master Thief, who is Christ, has confounded every modern prophecy teacher who expected a fixed sequence of events and a catching away inside a 70-year generation. It should be clear by now that the *tribulation of those days* began with Hitler's holocaust upon the Jewish people and will not end until the liberation of Jerusalem when Jesus re-takes the eternal city!

Who is the Bride of Christ, and What did Jesus Say about Rapture Timing?

“And while they went to buy, the bridegroom came; and they that were ready went in with him to the marriage: and the door was shut. Afterward came also the other virgins, saying, Lord, Lord, open to us. But he answered and said, Verily I say unto you, I know you not. Watch therefore, for ye know neither the day nor the hour wherein the Son of man cometh.”(Matthew 25:10-13)

The virgin parable is often said to be a depiction of the wheat and the tares, with the door into the marriage closed to those who do not accept Christ as Lord and Savior. Is this, in fact, what the parable of

The Clock of the Four Night Watches

the ten virgins is all about? And if so, why is there already a parable in which Jesus plainly describes the separation of wheat and tares in a completely separate Bible passage?

It is our task to identify those portrayed in these stories in order to know who the story is meant for. In this parable, we see a remarkable use of metaphors, including virgins, lamps, oil, a door, a bridegroom, and so on. Another concern is that we also examine how God and Jesus are depicted. Here, we see that Christ is portrayed as a bridegroom whose arrival comes at a time when few are expecting him. Or, perhaps those watching are simply not watching in the manner the bridegroom requires.

There is also a conspicuous absence of certain themes in the virgin allegory. There are no angels, no trumpets, no clouds of glory, no throne Judgment, and no resurrection. Instead, a small group of virgins look for the same bridegroom, and his arrival brings both joy and heartache as they become separated at the door into the Marriage. A key question we want to answer is rather obvious. Why do they become separated?

Who is the Bride of Christ, and What did Jesus Say about Rapture Timing?

The long wait during the night of their vigil is a clear depiction of our passage through time since Jesus was on Earth until his return. But it also carries a message of warning for those alive at the time of his coming when some go into the Marriage at their appointed times and others do not.

On the *Clock of the Four Night Watches*, midnight occurs with the arrival of that hour at the end of the *first Watch* in the Spring of 2012. This is why I expected the early Rapture to begin during the Spring of that year. I became troubled when it appeared that Rapture was not occurring where it seemed to take place in the virgin parable. It was then that I began to pour over the words of Jesus in this key passage as I never had before. It was then that it became clear to me just how flawed my understanding of this parable had been.

Let us read the earlier verses and uncover a few critically important details:

“Then shall the kingdom of heaven be likened unto ten virgins, which took their lamps, and went forth to meet the bridegroom. 2 And five of them were

The Clock of the Four Night Watches

wise, and five were foolish. 3 They that were foolish took their lamps, and took no oil with them: 4 But the wise took oil in their vessels with their lamps. 5 While the bridegroom tarried, they all slumbered and slept. 6 And at midnight there was a cry made, Behold, the bridegroom cometh; go ye out to meet him. 7 Then all those virgins arose, and trimmed their lamps. 8 And the foolish said unto the wise, Give us of your oil; for our lamps are gone out. 9 But the wise answered, saying, Not so; lest there be not enough for us and you: but go ye rather to them that sell, and buy for yourselves.”(Matthew 25:1-9)

Upon reading this passage with greater care I realized that a cry goes forth at midnight to announce the *approach* of the bridegroom, not his *arrival*. Nowhere did Jesus give us the *hour of the night* at which the door into the Marriage opens, a fact that should have been obvious to me when reading exactly those words in the final verse:

“Watch therefore, for ye know neither the day nor the hour wherein the Son of man cometh.”
(Matthew 25:13)

Who is the Bride of Christ, and What did Jesus Say about Rapture Timing?

I now display Matthew 25:13 in each and every *Clock Prophecy* video as a reminder that no one can know the day or hour of the Rapture, nor is this information revealed by knowing where midnight fell on the *Clock of the Four Night Watches*.

Now that we have addressed the timing issue, we want to look more closely at the identity issue. Some say the foolish virgins in the story represent Jewish unbelievers who have rejected Christ as Messiah. This view holds that the wise virgins are therefore gentile believers who embrace the Messiah. There are several problems with this interpretation.

First, the Apostle Paul made no distinction with regard to faith in Christ based on ethnicity or heritage, so why would Jesus do so? Second, all the virgins in the parable carry lamps and watch for the same bridegroom, which would not be true of an unbelieving Jew. Third, use of the word virgin by Jesus denotes purity of heart, an attribute not fitting for those who reject the Messiah.

The word virgin comes from the Greek *parthenos*, from which it is translated. As you might well guess,

The Clock of the Four Night Watches

parthenos has several related meanings, but in all cases it refers to someone who is chaste, pure, and upright. Again, it is not a word Jesus would use to describe a tare, or a sinner.

If all the virgins look for the same bridegroom, why then do they become separated? According to Jesus, those with insufficient oil arrive late to the door into the Marriage. This reminds us of the Lord's warning to the church of Laodicea:

“Because thou art lukewarm, I will spew thee out of my mouth.” (Rev 3:16)

In response to an untimely request to be let in, Jesus responds to the foolish, I know you not. While these words are often understood to mean, *I never knew you*, that is not at all what Jesus says.

In fact, in the same passage of Revelation, Jesus continues:

“I counsel thee to buy of me gold tried in the fire, that thou mayest be rich; and white raiment, that thou mayest be clothed, and that the shame of thy nakedness do not appear; and anoint thine eyes with

Who is the Bride of Christ, and What did Jesus Say about Rapture Timing?

eyesalve, that thou mayest see. As many as I love, I rebuke and chasten: be zealous therefore, and repent.”(Rev 3:18,19)

It will be our review of another wedding theme parable that shows how the lukewarm are not lost, but rather delayed in their journey into union with the Bridegroom. The parable of the King’s wedding in Matthew 22 offers several new metaphors that are just as crucial in our understanding of what it means to be prepared for the Marriage.

Let us read the entire text from the King James Bible:

“The kingdom of heaven is like unto a certain king, which made a marriage for his son, 3 And sent forth his servants to call them that were bidden to the wedding: and they would not come. 4 Again, he sent forth other servants, saying, Tell them which are bidden, Behold, I have prepared my dinner: my oxen and my fatlings are killed, and all things are ready: come unto the marriage. 5 But they made light of it, and went their ways, one to his farm, another to his merchandise: 6 And the remnant took his servants, and entreated them spitefully, and slew them. 7 But

The Clock of the Four Night Watches

when the king heard thereof, he was wroth: and he sent forth his armies, and destroyed those murderers, and burned up their city. 8 Then saith he to his servants, The wedding is ready, but they which were bidden were not worthy. 9 Go ye therefore into the highways, and as many as ye shall find, bid to the marriage. 10 So those servants went out into the highways, and gathered together all as many as they found, both bad and good: and the wedding was furnished with guests. 11 And when the king came in to see the guests, he saw there a man which had not on a wedding garment: 12 And he saith unto him, Friend, how camest thou in hither not having a wedding garment? And he was speechless. 13 Then said the king to the servants, Bind him hand and foot, and take him away, and cast him into outer darkness, there shall be weeping and gnashing of teeth. 14 For many are called, but few are chosen.”
(Matthew 22:2-14)

Again, we want to identify the key figures in this story by noting how they are described. There can be no doubt that the King's son is our Lord Jesus Christ. The servants of the King sent to those who were bidden to the wedding are the prophets sent to

Who is the Bride of Christ, and What did Jesus Say about Rapture Timing?
the Jews, who rejected and sometimes killed them. Jesus excoriated the religious Jews for refusing to hear the prophets, and in this parable explains how the King sent his servants into the outskirts of the kingdom to furnish his wedding with guests.

Then another problem arises. Jesus points out that both good and bad guests show up for the wedding! When the King comes in to inspect those who would attend, he sees a man without a wedding garment. As in the parable of the virgins whose obedience is measured by the amount of oil they carry, our devotion to the bridegroom in this account is represented by the garment we wear, indicating our readiness to join the bridegroom.

When asked about his inappropriate attire, the man is speechless. Was he an unbeliever? The King calls him a *friend*, a word seldom used by Jesus but also found in John 15:15, where Jesus refers to his disciples as *friends*. In James 4:4, we are told that friendship with the world is enmity with God, thus we cannot identify the King's friend in the wedding parable as one who does not know Christ. Sinners are not being addressed in this parable. As in the

The Clock of the Four Night Watches

story of the waiting virgins, Jesus warns that those who carry lamps of faith may not have fully severed their ties with the world around them.

The Lord ends his fable by directing the man to be cast into outer darkness, saying “many are called, but few are chosen.” Since we cannot be chosen for salvation, this can only refer to the outer darkness of great tribulation shortly before the bodily return of Christ at the end of the Age. This is exactly what Jesus promises to those in the churches who fail to repent, as John writes in his letter to the Church of Thyatira:

“And I gave her space to repent of her fornication; and she repented not. Behold, I will cast her into a bed, and them that commit adultery with her into great tribulation, except they repent of their deeds. And I will kill her children with death; and all the churches shall know that I am he which searcheth the reins and hearts: and I will give unto every one of you according to your works.” (Rev 2:21-23)

This points to the separation at the door into the Marriage, revealing an outer darkness of chastening

Who is the Bride of Christ, and What did Jesus Say about Rapture Timing? also prophesied by Christ in the Gospel of Luke. Here is what he says in that passage:

“And that servant, which knew his lord's will, and prepared not himself, neither did according to his will, shall be beaten with many stripes. But he that knew not, and did commit things worthy of stripes, shall be beaten with few stripes. For unto whomsoever much is given, of him shall be much required: and to whom men have committed much, of him they will ask the more.”(Luke 12:47,48)

Another caution made by Jesus reads:

“Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.”
(Luke 21:36)

According to Jesus, those in the churches will either escape or be chastened based on their level of obedience to him. Many will be tried and martyred. This is why we are told to endure until the end, at which point we *“shall be saved.”*

The Clock of the Four Night Watches

For each of us the end is an appointed time that cannot be the same for every believer, as it is based on God's foreknowledge of all our future choices. Jesus reveals this to us in what may be the most amazing of all his teachings, the vineyard parable in Matthew's Gospel.

Jesus describes four groups of men sent into the fields of harvest who are hired out of order and paid out of order. We will read the full text of this illustration out of Matthew below:

“For the kingdom of heaven is like unto a man that is an householder, which went out early in the morning to hire laborers into his vineyard. 2 And when he had agreed with the laborers for a penny a day, he sent them into his vineyard. 3 And he went out about the third hour, and saw others standing idle in the marketplace, 4 And said unto them; Go ye also into the vineyard, and whatsoever is right I will give you. And they went their way. 5 Again he went out about the sixth and ninth hour, and did likewise. 6 And about the eleventh hour he went out, and found others standing idle, and saith unto them, Why stand ye here all the day idle? 7 They say unto

him, Because no man hath hired us. He saith unto them, Go ye also into the vineyard; and whatsoever is right, that shall ye receive. 8 So when even was come, the lord of the vineyard saith unto his steward, Call the laborers, and give them their hire, beginning from the last unto the first. 9 And when they came that were hired about the eleventh hour, they received every man a penny. 10 But when the first came, they supposed that they should have received more; and they likewise received every man a penny. 11 And when they had received it, they murmured against the goodman of the house, 12 Saying, These last have wrought but one hour, and thou hast made them equal unto us, which have borne the burden and heat of the day. 13 But he answered one of them, and said, Friend, I do thee no wrong: didst not thou agree with me for a penny? 14 Take that thine is, and go thy way: I will give unto this last, even as unto thee. 15 Is it not lawful for me to do what I will with mine own? Is thine eye evil, because I am good? 16 So the last shall be first, and the first last: for many be called, but few chosen.”
(Matthew 20:1-16)

The Clock of the Four Night Watches

This powerful story speaks to those alive at the time of the Lord's coming as I will demonstrate in a moment. Jesus depicts four groups of men hired at the third, sixth, ninth, and eleventh hours of the day, respectively. This is a total of eight prophetic hours, the same as the number of hours on the *Clock of the Four Night Watches* I was shown by Jesus in the Spring of 2010. I had often read, but not previously understood this important passage, until after the *Clock* had been shown to me that year.

While each of the four groups labor for a different period of time, each worker is paid the same, every man receiving a penny in wages. At the end of the day, when their pay is due, all the men are called together, but those hired first are called *last*, and those hired last are called *first*. Jesus tells us the reason for this is that *many are called, but few are chosen*. Since all the workers receive the same penny, this raises an obvious question. *Chosen for what?*

We know the dead in Christ are raised first (1 Thess. 4:16), therefore no one who has passed on during the Church Age can be last. But who exactly do the resurrected saints come before? The words of Paul in a later passage tells us they are in front of a final

Who is the Bride of Christ, and What did Jesus Say about Rapture Timing?
remnant who are still alive at the time Jesus returns!
The dead in Christ can therefore be identified as
being the *third group* in the vineyard parable!

When we understand this story to be primarily about the Rapture, its full meaning becomes apparent. While the equivalence of pay in the story is important, it is not the real message the Lord is giving to us. Rather, it is a warning that despite his equivalent gift of eternal life, our catching away will not be a universal one-day Rapture for the whole Church, but will rather be a divided harvest at the door into the Marriage!

Our order of payment represents the order in which we will be taken or caught up in the days just ahead. This will create turmoil and chaos in the churches and will provide many opportunities for both repentance and betrayal (Luke 21:16), just as Jesus said. This is why I ask you to share this message from him as widely as you can before this great separation begins.

Those who object to the divided harvest teaching often quote the words of Paul in his letter to the

The Clock of the Four Night Watches

church at Thessalonica, so I want to examine what he said and show how it fully supports what Jesus himself prophesied. Here is what Paul wrote:

“For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first: 17 Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air...” (1 Thes. 4:16,17)

Paul here is referring to the Lord’s descent out of heaven, at which time Jesus will enter Jerusalem and bring our current Age to a close. This verse cannot be about an earlier point in time because the resurrection also occurs, requiring all the martyrs to have been fulfilled, thus Great Tribulation will have ended, as well. Those who are alive and remain are a small remnant who live to see the Lord’s bodily return, at which point they will be caught up to be with him forever.

Paul’s reference to those who remain would make no sense unless there had been an earlier exodus, and since the vineyard parable identifies four groups and

Who is the Bride of Christ, and What did Jesus Say about Rapture Timing?
not two, we can see why Jesus said there would be a divided harvest whose timing is not as we expect. That is why the dead are raised first *only* in relation to a fourth and final group who are alive and remain, and why the Resurrection must be preceded by two earlier Raptures during Great Tribulation!

Now we turn to two pre-figures of early and late Rapture as recorded in the Old Testament, which also make the case for a divided harvest or gathering at the end of the Age. First, the great patriarch Enoch, who was taken by God that he should not see death, as stated in Genesis and also in the book of Hebrews. Here is what we read in Hebrews:

“By faith Enoch was translated that he should not see death; and was not found, because God had translated him: for before his translation he had this testimony, that he pleased God.”(Heb 11:5)

I believe Enoch represents the early portion of the harvest, which is why his translation was first to be recorded in scripture. This is represented by the gathering of barley in the book of Ruth, also a

The Clock of the Four Night Watches
prophesy for the end time gathering, to be followed
by a harvest of wheat and finally grapes.

The second individual to experience a personal Rapture was Elijah, who I believe represents the wheat portion of the harvest. Elisha, who stayed behind and was separated from Elijah when Elijah was caught up in 2 Kings 2:11, prefigures the grape portion of the final harvest, those who become Christian martyrs as stated in Revelation 12:11.

It is a mystery as to whether the Rapture of Elijah (the Hebrew is *alah*, translated *went up*, see Strong's H5927/ 2 Kings 2:11) and the Rapture of Enoch (the Hebrew is *laqach*, translated *took*, see H3947 / Gen. 5:24) are in some way different. I believe the use of different words in the Hebrew shows that they may not be the same.

Could it be that Elijah remained in his physical body while being air-lifted to safety? Could it be that those in the wheat portion of the harvest will also be taken before receiving their glorified bodies in heaven? These are questions that will soon be answered as we continue to watch for our bridegroom.

Who is the Bride of Christ, and What did Jesus Say about Rapture Timing?

There is a final proof of the divided harvest taught by Jesus that is rarely, if ever, heard properly recited from the modern pulpit in today's churches. Jesus says this in the following verse of Luke:

"Let your loins be girded about, and your lights burning; and ye yourselves like unto men that wait for their lord, when he will return FROM the wedding; that when he cometh and knocketh, they may open unto him immediately. Blessed are those servants, whom the lord when he cometh shall find watching... And if he shall come in the 2nd watch, or come in the 3rd watch, and find them so, blessed are those servants."(Luke 12:35-38)

Incredibly, Jesus here refers to those who wait for him to return *from* the Wedding! This is again affirmed by him when he uses the word *friend* to describe the man denied access to the King's Wedding (Matthew 22:12,13) at which point the friend is cast into outer darkness. Nowhere in scripture do the words *outer darkness* appear in an equivalent reference to hell, thus we know that is not the meaning of this passage.

The Clock of the Four Night Watches

The truth is that Jesus is warning those who miss early entry into the Marriage that they will be cast into Great Tribulation (Rev 2:21-23) to be further tested. Some who fail to enter the Marriage early may be taken as part of the wheat harvest in the same manner as Elijah, however most will be martyred.

"...pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man."(Luke 21:36)

You may ask why there is a fourth group of vineyard workers who labor in the fields at the Lord's coming in the Matthew parable. I believe the fourth group refers to those who are alive and remain following the resurrection of the martyrs, whose order of redemption comes first only in relation to this final remnant who watch for the Lord's appearance.

What about those who attempt to know or predict the date of the Rapture before it happens? They overlook the words of Jesus in Matthew 25:13 and draw attention to themselves rather than to Jesus. Here is what Jesus said:

Who is the Bride of Christ, and What did Jesus Say about Rapture Timing?

“Watch therefore, for ye know neither the day nor the hour wherein the Son of Man cometh.”

A lot of error is being circulated on this subject because people do not believe the words of Jesus. Some are seeking attention in the churches in an attempt to predict the day the Rapture will occur. Those who become entangled with this spirit of deception will ultimately miss the very thing they had hoped to experience. God requires us to *watch* properly, and to walk by faith, not by sight.

Remember that God loves us equally regardless of which harvest we may find ourselves in. His message to those who wait for him is a reminder to endure and have patience:

“And the Spirit and the bride say, Come. And let him that heareth say, Come. And let him that is athirst come. And whosoever will, let him take the water of life freely.” (Rev 22:17)

How the Clock Shows the Identify of 666

*“Here the wisdom is – the one having the mind, let-
pebble (count) the number of the wild beast – for of-
human it is and the number of it, 666 .”* (Rev 13:18,
Greek Interlinear)

John gave us a key attribute of the beast that has been a topic of fascination for almost two thousand years. I have rendered it here as literally as possible to show what is stated by him in the original Greek. And, as we shall see, *what is not stated*.

John uses the Greek *anthropos* – translated both as *man* in the singular and as *men* in the plural – across many pages of the New Testament. The importance

The Clock of the Four Night Watches

of this is that it shows the word *anthropos* is not a fixed singular noun as readers of modern English bibles may assume when reading this passage.

In fact, the Greek Interlinear uses the more broadly translated *of-human*, just as our English (Greek-derived) word, *anthropomorphic*, is defined as *that which is human in nature*, as opposed to that which is *not* human in nature, and is *not* confined in meaning to just one individual.

This explains why John refers to both a *First Beast* and a *Second Beast* in the book of Revelation, as well as a third individual he calls the *False Prophet*. Later in this chapter, we will explore three roles, not two, that make up the identity of *666*.

The modern Church knows the *Antichrist* as a solitary figure on the stage of world politics aided by a religious leader who proclaims him to be the Messiah. This would appear to satisfy the roles of a *First Beast* and a *Second Beast* in a way that many believe would be impossible to miss. But which beast is the *Antichrist*? And how does proper identification of one lead to identification of other key players?

How the Clock Shows the Identity of 666
Scripture provides a variety of biographical details that give us answers to these questions, as well as to show that 666 is in fact a trio emulating the Father, the Son, and the Holy Ghost. Much of what you are about to read will be completely unlike anything you have seen published on these topics before.

Relying on the structure of the holy Bible, the *Clock Prophecy* reveals 666 to be three key leaders already present on the stage of world events. We will show how the *Clock* makes these identifications using the same mathematical constants that link the prophecies in Revelation to equivalent prophecies in the book of Psalms, as documented in Chapters 2 and 3 of this book.

We now want to establish definitions for the aliases commonly used for 666, such as the beast, the man of sin, the son of perdition, Apollyon, and, of course, the *Antichrist*. It may surprise you to know that some of these do not refer to the same entity, or even to a human individual. In any case, we want to rely solely on scripture for their historical meanings.

The Clock of the Four Night Watches

The most familiar of all these appellations is *Antichrist*, used by John in one of his epistles to the seven churches. Here is what he wrote:

“Who is a liar but he that denieth that Jesus is the Christ? He is Antichrist, that denieth the Father and the Son.”(1 John 2:22)

John uses the word *Antichrist* to identify the spirit of those who openly deny that Jesus is the Christ. He does not say, however, that the *spirit* of *Antichrist* is unable to *acknowledge* Jesus as being Christ, nor does he preclude that an *Antichrist* may simply mimic public confession. Remember that Barack Obama himself has said, “Jesus is the Lord, I agree with that.” An *Antichrist* spirit can say whatever it believes will permit it to remain under the cloak of darkness. Even the demons cast out by Jesus in the Gospels cried out by acknowledging his deity.

Those who argue that John’s reference to the spirit of *Antichrist* means no flesh and blood world tyrant will rise up to destroy the final vestiges of institutional Christianity, ignore his later prophecies in the book of Revelation, as well as those found in

How the Clock Shows the Identity of 666 the book of Daniel. While John used the word *Antichrist* as an adverb, it is completely reasonable to use it as a noun when referring to the *Second Beast* of Revelation, and the central figure of 666, whose biography we will review shortly.

Let us now examine two terms used by the Apostle Paul in his letter to the church at Thessalonica, referring to a key figure of 666 who he says will oppose Christ at his coming:

“...for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition; 4 Who opposeth and exalteth himself above all that is called god, or that is worshipped; so that he as god sitteth in the temple of god, shewing himself that he is god...”
(2 Thes. 2:3,4)

It is well known that many believe this individual to be the *Antichrist* figurehead. But since the identity of 666 cannot be confined to just one individual, the figure Paul describes in this passage may well be another member of the unholy trio. It is my belief that Paul is referring here instead to a member of the

The Clock of the Four Night Watches

Papacy, and I believe the Pope to be that individual, the *False Prophet* now seated in Rome's temple of god. Should a third Jewish temple be built in the days ahead, of course, this prophecy may conclude with a final layer of fulfillment through the actions of the *Antichrist* figurehead.

The word *beast* is translated from the Greek *thērion* (G2342) and is used 38 times in the book of Revelation, in each case meaning a *wild beast* or *brutal, savage man*. The Apostle John refers to two such individuals, each making up a third of 666. I believe that use of this word indicates possession by the spirit of a previous *Antichrist* from an earlier period of Jewish history. Most notably, I expect the spirit of Antiochus IV Epiphanes to inhabit the body of either the *First Beast* or the *Second Beast* once we reach the head wound event in Revelation 13:3. The tenth monograph in Chapter 3 documents this connection as it occurred in real time using the divine structure of the Bible, one of many such proofs of this end time message.

John's use of the word *Apollyon* in Revelation 9:11 refers to the angel of the bottomless pit in the same

How the Clock Shows the Identity of 666
verse. The Greek defines him as the *Destroyer*, thus we know it can be none other than Satan himself, whose fall from heaven as Lucifer identifies him as the *Dragon* in Revelation Chapter 12.

Satan's ejection from heaven, and that of his angels, is likewise recorded there. It may be that Satan will personally inhabit the body of the world's last tyrannical ruler, the man we call *Antichrist*.

My purpose in discussing these aliases is to show how they are not equivalent terms referring to just one entity, but rather point to various key players who make up 666, as well as the spirit of the *Dragon* who will empower them. In effect, each member of 666 is a proxy for the other, but only one will take the *figurehead* role.

In early 2014, I was still struggling with the identity of the *Antichrist*, the meaning of 666, and why, despite the appearance of two beasts, the *False Prophet* is only found after the *First* and *Second Beast* have been described 23 times! It was in early March of that year when the Holy Spirit quickened me to count forward exactly 1,260 days (42 months)

The Clock of the Four Night Watches
from the center of Revelation 13:3. It was then that I realized the *Clock* had marked the point at which these 42 months would come to an end on our modern calendar!

Here is the math:

$$\text{Dec 17, 2010} + ((2,520 / 404) \times 213.5) \\ = \text{Aug 10, 2014}$$

$$\text{Aug 10, 2014} + 42 \text{ months (1,260 days)} \\ = \text{Jan 20, 2018}$$

The number 213.5 refers to the center of Revelation 13:3, which is the 214th verse of Revelation, in which John describes a near-fatal head wound to the *First Beast*. The *Clock* start date (also the first day of the *Arab Spring*) is December 17, 2010. Daniel's master prophecy number is 2,520, and there are 404 verses in the book of Revelation. As explained at the beginning of this book, this was according to the Lord's instruction to me during a visitation in my home in the Spring of 2010.

The addition of 42 months (1,260 days) to the center of Revelation 13:3 where it fell on the *Clock* on

How the Clock Shows the Identity of 666 August 10, 2014 (Jerusalem time) brings us to January 20, 2018. My initial response to this was a slow gasp, as I realized this to be the date of the US Presidential Inauguration exactly one year removed, one year to the day after the currently scheduled American Presidential Inauguration in 2017!

In the context of John's prophecy that the *First Beast* would be given an extension of power for a period of 1,260 days following his deadly head wound, it was impossible to overlook that this placement on the Clock pointed to America's President Obama as the *First Beast* of Revelation!

As you can imagine, my reaction to this was somewhat surreal. The arrival of Revelation 13:3 would fall just 20 weeks later, so I was concerned that my window of opportunity to share the timing of this world-changing event was quickly closing. In addition, its placement on the *Clock* was a specific reference to the US President as the *First Beast* of Revelation, who in scripture narrowly survives a near fatal head wound, and whose brush with death was to trigger the rise of the *Antichrist!*

The Clock of the Four Night Watches

It occurred to me that if I published commentary on this topic, discussing it openly, I might create a disturbance and draw unwanted attention to myself. I knew, of course, that I had no choice but to go forward and share publicly what the Clock Prophecy had revealed.

The words of Jesus to me at the start of my ministry, “*you are going to be early,*” had begun to bring greater peace to me in such matters, even though at the time I was not quite sure what he meant. I have since come to realize that the purpose of end time prophecy is not to reveal a day or hour, but rather to prepare the Church for fulfillment of key prophetic events at their divinely appointed times. That is why the head wound to the *First Beast* is yet to occur.

It may be that the 42 month countdown that began in the summer of 2014 was given for the sole purpose of revealing the identify of Barack Obama as the *First Beast* of Revelation. It may be that we can avoid the passage of an additional 1,260 days after the fulfillment of this prophecy. I remain hopeful for that outcome as we look to the end of our final generation as early as the Fall of 2018.

How the Clock Shows the Identity of 666

Since only America uses January 20 as its date of transfer between successive presidents, we can be sure that the *Clock* has identified President Obama as the *First Beast* in John's vision. A period of 42 months will thus include the remainder of his second term as President and an additional 12 months, exactly one year past the currently scheduled US Presidential Inauguration in 2017. This is why I have been pointing to the head wound as a pretext for suspension of America's 2016 Presidential election. Whether Obama is to be given this extension of authority as President or in some future capacity remains to be seen.

If Obama should leave office without incident, I can only assume that the head wound event will occur at a later date, perhaps during his commission at the UN should such an appointment be given to him. This would likely push the entire timeline for the bodily return of the Lord Jesus forward by one or two years, though not later than 2020 based on my understanding of the time we have been allotted. I will address this topic more fully in the final pages of this book.

The Clock of the Four Night Watches

At this point, it would be helpful for us to read the entire Revelation 13 passage, as it contains additional clues on the nature of 666. I will only exclude the final verse since it was quoted at the beginning of this chapter:

“And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy. 2 And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority. 3 And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast. 4 And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him? 5 And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty and two months. 6 And he opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and them

How the Clock Shows the Identity of 666
that dwell in heaven. 7 And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations. 8 And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world. 9 If any man have an ear, let him hear. 10 He that leadeth into captivity shall go into captivity: he that killeth with the sword must be killed with the sword. Here is the patience and the faith of the saints. 11 And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon. 12 And he exerciseth all the power of the First Beast before him, and causeth the earth and them which dwell therein to worship the First Beast, whose deadly wound was healed. 13 And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men, 14 And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live. 15 And he had

The Clock of the Four Night Watches

power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed. 16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: 17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.” (Rev 13:1-17)

A primary concern of my readers has been the statement in Revelation 13:12 that the *Second Beast* will direct worship to the *First Beast*. Does this not show that the *First Beast* will be the *Antichrist* figurehead and the *Second Beast* his *False Prophet*? We might find this compelling if we rely solely on the book of Revelation, but a variety of key biographical data in the writings of Daniel and Isaiah show why 666 can only be represented by *three* men.

Note that John himself makes no reference to the *False Prophet* until Revelation Chapter 16. This is why the words *False Prophet* and the word *beast* are not used interchangeably in even one verse of his prophecy.

How the Clock Shows the Identity of 666
John gives us another critical clue in verse twelve. He says the *Second Beast* will exercise all the power of the beast before him, which raises a rather obvious question, If the *Second Beast* is indeed the Pope, who else on Earth commands all the religious authority of a Pope? Conversely, how does a Pope exercise all (or any) of the power of a sitting President? Among world leaders, no analog exists for the power of Rome, it is singular in every way. These disparities show plainly why the Pope cannot be the *Second Beast* of Revelation!

In his own description of a final world tyrant, the prophet Daniel portrays an individual who is clearly not a figure of religious authority. His reference to the prince who shall come (Dan 9:26) reveals further that neither Obama nor the Pope can satisfy the key figurehead role of *666*. President Obama in no way represents the rule of a monarchy, nor is there any context for use of this word in the hierarchy of the Vatican. These facts disqualify both Obama and the Pope from being the individual described in the prophecies of Daniel. This leads to the inescapable conclusion that only the *Second Beast* of John's vision can become the *Antichrist!*

The Clock of the Four Night Watches

In the book of Daniel, we see his description of the little horn in Chapter 7 and the King of the North in the final ten verses of Chapter 11 are a match to John's description of the *Second Beast* and the eighth King in Revelation Chapters 13 and 17, respectively. We see also that the little horn in Daniel commands a vast military that he marshals on a global scale. The Pope, of course, has neither a military with global reach nor does he have the power to declare war, make civil or military law, or enact legislation. The role of the False Prophet is simply nowhere present in the prophecies of Daniel, and present only selectively in the book of Revelation.

In Revelation 13:12, the *Second Beast* is said to exercise all the power of the beast before him, and both are described as world rulers in command of massive armies. John writes:

“Who is like unto the beast? who is able to make war with him? ... And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations.” (Rev 13:4,7)

How the Clock Shows the Identity of 666

A popular view of the head wound event depicts an actual resurrection of the *First Beast*, which is why so many think he will become the *Antichrist*. I find no scripture in support of that view. The power of resurrection is God's alone, thus I expect the wound which the *First Beast* survives to be severely disabling, and that this explains why the *Second Beast* calls for an image to be made in Obama's likeness. Only after this hi-tech medical restoration will the *Second Beast* bring about the **MARK** (Rev 13:14,15) and enforce it under penalty of death.

After surviving his deadly head wound, the *First Beast* is thereafter presented only as his image, a man-made body double that I believe will make use of advanced robotics, a marvel of medical science to be promoted by the *Second Beast*, a kind of banner he will use to rally public support for his own attempts at global conquest.

I believe the *Second Beast* will promote the *First Beast* as a restored fallen hero, directing public worship to his image as a political idol rather than a religious one. The man who claims to be Christ on Earth, representing the Vatican, is already known to

The Clock of the Four Night Watches

us. That is why many believe the Pope himself to be the *Antichrist*. He is, of course, exactly one-third of 666, in the same manner as Barack Obama, and yet a final 6 is yet to come.

Let us review the key attributes of a final world tyrant who represents the primary 6 in 666. We can learn numerous of his biographical details in the prophecies of Daniel, Isaiah, and John. Here is what we know:

- 1) He is described as the "Prince that shall come."
(Dan 9:26)
- 2) He is referred to as an Assyrian (Isa 14:25,26)
- 3) He is said not to regard the god of his fathers,
or any god. (Dan 11:37)
- 4) He is called the *Second Beast* after the fall of
a *First Beast* (Rev 13:11)
- 5) He is known as the eighth King, whose rise to
power pertains to the seventh King (Rev 17:11)
- 6) He is prophesied to bring about both the
Image and **MARK** of the beast (Rev 13:16-18)

We have already discussed Daniel's use of the word *prince* to describe the *Antichrist*, revealing him to be

How the Clock Shows the Identity of 666 a monarchist. Separately, Isaiah refers to him as the Assyrian, however he does not say he is born in Assyria. We know that ancient Rome was present in Assyria for a very long period of time, so it is quite likely that many Europeans today have Assyrian ancestry by reason of their Germanic heritage. For that reason, a European prince can easily satisfy these words in the prophecies of Daniel and Isaiah.

We have also discussed how the actions of the *Second Beast* uniquely identify him as the *Antichrist* figurehead, with the *First Beast* and *False Prophet* in supporting roles. Daniel's final description of the world's last despotic King, stating that he will have no regard for the god of his fathers, nor for any god, shows further why I believe this individual to be a completely secular world leader rather than a religious one. I believe this eliminates any possibility that he will be of Islamic or Jewish faith.

It was several weeks after the *Clock* had identified Barack Obama as the *First Beast* that I decided to search for these biographical details in the life of any world leader who might satisfy them. At the time, as

The Clock of the Four Night Watches

now, many held passionately to the view that Barack Obama was, in fact, the *Antichrist*. I myself had begun to believe this might well be true, but only until the *Clock* had identified him as his forerunner instead, and upon realizing that the *False Prophet* could be neither the *First* or *Second Beast*. We will examine a more definitive identification of the *False Prophet*, and his placement on the *Clock*, at the end of this chapter.

I had been quite unimpressed with attempts to portray Princess Diana's first born son, Prince William Arthur, as the future *Antichrist*. I felt, however, that I should at least make the effort to eliminate him as a possible candidate through a review of his life history. Before I was able to do so, however, the Holy Spirit instructed me to look at his date of conception prophetically where it fell on the *Clock*, some nine months before he was to reach his 33rd birthday.

It was obviously impossible for me to know the actual duration of Diana's pregnancy, thus I would have to know the average period of a child's gestation. When I ran a search in Google, one result

How the Clock Shows the Identity of 666
stood out above all the rest – a study on the average
length of gestation in mothers of two sons!

While this seemed quite odd, it was also inescapable in light of the fact that Diana herself was the mother of two sons. Before I continue, let me point out that some believe William's younger brother, Prince Harry, will in fact become the future *Antichrist*. For this to be true, however, both William and perhaps his father, Charles, would have to perish due to the fact that Harry is third in succession behind them both.

The study outcome, as it turns out, showed the average period of pregnancy in mothers of two sons to be exactly 269 days. I subtracted 269 days from the upcoming date of William's birth date in 2014 as I had been instructed to do. Since we know the exact time of his birth, we can find this placement of time in scripture by knowing where it falls on the *Clock*. This is important because in Jewish tradition a person's age includes the period of time a child is carried by its mother. William was born in London on June 21, 1982 at 9:03PM.

The Clock of the Four Night Watches

Here is the math:

June 21, 2015 (9:03PM) - 269 = Sept 25, 2014 (9:03PM)

We will discuss the significance of this result in just a moment. Our next step, of course, is to find where this date and time occurs in the book of Revelation.

Here is how we know:

Sept 25, 2014 (9:03PM) - Dec 17, 2010 (12AM)
= 1,378.875 days

$1,378.875 / (2,520 / 404) = 221.05$ (verse mark)

The number 221 refers to the 221st verse of Revelation, therefore this result moves fractionally into the 222nd verse, which is Revelation 13:11. Daniel's master prophecy number is 2,520, and there are 404 verses in the book of Revelation. The *Clock* start date was December 17, 2010. This is according to the Lord's instruction to me during a visitation in my home in the Spring of that year. I invite you to check the math for yourself where it is more fully explained in the early pages of this book.

How the Clock Shows the Identity of 666

Counting backwards to his point of conception prophetically, Prince William reached 33 years of human life on exactly the first day of the new Jewish year in 2014! I found it curious that he might actually have been conceived on the most auspicious date of the Jewish calendar, known as *Rosh Hashanah*, which begins what are known as the ten days of awe and ends with *Yom Kippur*, or the *Day of Atonement*. But this alone would not have convinced me that the Prince was to be found in Bible prophecy, much less become a candidate for the future *Antichrist*. I would require a second and possibly a third witness.

Let us now read the passage of scripture that fell on the *Clock* exactly that day in 2014:

“And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon.”(Rev 13:11)

The significance of this verse is that it represents the first mention of the *Second Beast* of Revelation. In addition, its arrival on the *Clock* falls just a few hours before Prince William’s conception

The Clock of the Four Night Watches

(*prophetically* speaking) the same day! The Prince is the only world figure who has this mathematical connection to the *Clock* based on his time of birth.

Incredibly, President Obama and the Prince met just 10 weeks later in a previously unannounced meeting on December 8, 2014 at the Oval Office! Combined with the fact that William satisfies all the key biographical details discussed earlier in this chapter, I have decided to share this finding regarding the details of his birth as a key revelation of this end time message.

I expect William to become the new King of England (Britain, to be precise) shortly after Obama survives a near-fatal head wound as prophesied in Revelation 13:3. I also expect him to come to the USA during America's time of national crisis in order to quell social unrest before promoting the **MARK** under the guise of peace and safety. I believe this is the meaning of Paul's words in 1 Thessalonians 5:3.

With identification of both the *First* and *Second Beast* of Revelation, there is only one figure of 666 that remains to be identified – the *False Prophet*.

How the Clock Shows the Identity of 666

It appeared for some time that he would not have his own mathematical placement on the *Clock*, but that changed with the announcement of his appearance before the US Congress in the Fall of 2015.

Here is the math showing the arrival of the Pope in America where Revelation 16:13 fell on the *Clock*:

Dec 17, 2010 + (2,520 / 404) x 270 = Jul 28, 2015

The number 270 refers to Rev. 16:13, which is the 270th verse of Revelation. Daniel's master prophecy number is 2,520, and there are 404 verses in the book of Revelation. The *Clock of the Four Night Watches* began on December 17, 2010, which was the first day of the *Arab Spring*. This is according to the Lord's instruction to me during a visitation in my home in the Spring of 2010.

John wrote: *"And I saw three unclean spirits like frogs come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet."* (Rev 16:13)

The Pope addressed Congress on September 24, 2015, only seven weeks after this passage arrived on the *Clock*! Thus, the *False Prophet* has taken his

The Clock of the Four Night Watches
rightful place alongside President Obama and the
future King of England as the final 6 in 666!

[Note: The Prince of Wales may continue as Prince
even after adopting his biblical role, however this
seems unlikely since he is called “*King*” in
Revelation Chapter 17.]

Let us briefly summarize this chapter:

- 1) The *First Beast* – President Barack Obama
(forerunner to the *Antichrist*, the first 6.)
- 2) The *Second Beast* – Prince William Arthur of
the United Kingdom (*Antichrist*, the second 6.)
- 3) The *False Prophet* – Pope Francis, representing
the Vatican, or harlot of Revelation, the final 6.)

Contrary to modern Church teaching, the *Second
Beast* and not the *First Beast* is the *Antichrist*
figurehead. The *False Prophet* is a third individual,
one of three in an unholy trio impersonating the
Father, the Son, and Holy Ghost.

The Arrival of Critical Mass in 2016 and How it Points to Sukkot in 2018

“And I saw heaven opened, and behold a white horse; and he that sat upon him was called Faithful and True, and in righteousness he doth judge and make war... And the armies which were in heaven followed him upon white horses, clothed in fine linen, white and clean.¹⁵ And out of his mouth goeth a sharp sword, that with it he should smite the nations...” (Rev 19:11-15 -KJV)

Many assume the *Clock Prophecy* end date in 2016 represents the final event of Christ's return, however that is not the case. Rather, the *Clock* end date points to just one of eight events that must occur

The Clock of the Four Night Watches

before we reach the end of the Age. Specifically, the *Clock* ends at Revelation 19:15 to mark the start of Armageddon, the passage Jesus was pointing to when he appeared to me in the Spring of 2010. His descent into Jerusalem and the binding of Satan are the last two prophecies that must be fulfilled before the start of his Millennial reign on Earth.

Let us review these eight events to show exactly what has to happen, and why prophetic fulfillment can rarely be confined to a single 24 hour day:

- 1) Seals 1-6 (conquest of modern Babylon beginning in the summer of 2012 / Rev 11:15)
- 2) Armageddon (the smiting of the nations beginning in late 2016 / Rev 19:15)
- 3) 7th Seal opens producing large fires and two meteor impacts, one in the sea (Rev 8:1-8)
- 4) Head wound to the *First Beast* and the rise of the *Antichrist* out of Europe (Rev 13:3-11)
- 5) Early Raptures and Revelation of Messiah to the Jews and Israel (Rev. 16:15 / Romans 11:26)
- 6) The **MARK** becomes law and the remaining trumpets blow (Rev 13:15,16 / Rev 8,9,15-18)
- 7) First resurrection followed by a final catching away (1 Thes. 4:16,17)

8) Jesus retakes Jerusalem and Satan is bound on
Simchat Torah (1 Thes. 4:16 / Rev 20:1-2)

Before we look at how these events are already unfolding, I want to reinforce the significance of the *Clock* end date in providing the following critical prophetic markers:

- 1) The battle of Armageddon (which will extend world-wide as Christ completes his conquest)
- 2) The revelation of Messiah to the Jews (which may also be more than a one day event)
- 3) The rise of the *Antichrist* out of Europe and all the events of the 7th Seal over the next two years

The *fourth watch* of the night comes to an end with the arrival of Revelation 19:15 in the late summer of 2016. Here is the math:

$$\text{Sept 2, 2016 - Dec 17, 2010} = 2,086 \text{ days}$$
$$2,086 / (2,520 / 404) = 334.42 \text{ (verse mark)}$$

This result takes us fractionally (42%) into Revelation 19:15, where it ends at the word *nations* in the 335th verse. Daniel's master prophecy number is 2,520, and there are 404 verses in the book of

The Clock of the Four Night Watches

Revelation. The *Clock of the Four Night Watches* began on December 17, 2010, which according to historians was the first day of the *Arab Spring*. This is according to the Lord's instruction to me during a visitation in my home in the Spring of 2010.

This placement in verse 335 of Revelation falls at the end of the word *nations*, therefore the second half of this *verse* falls immediately after the end of the *fourth watch*, as the table below illustrates.

| AUG. 30 – SEPT. 1, 2016 (end of 4th Watch) | AFTER MIDNIGHT ON SEPTEMBER 2, 2016 |
|--|--|
| And out of his mouth goeth a sharp sword, that with it he should smite the nations: (42% x 40 words = 17 words) | ...and he shall rule them with a rod of iron: and he treadeth the winepress of the fierceness and wrath of Almighty God. |

Based on these measurements, we might expect the opening of the 7th Seal after the *Clock* end date. Indeed, the second half of this verse makes clear reference to the outpouring of God's wrath, the portion that falls immediately after the *Clock* ends. We might also expect the head wound event and the rise of the *Antichrist* once the *fourth watch* has ended. Regardless of exact dates, the time allotted in Psalm 90:10 means that all of these events must occur before the Fall of 2020.

Let me point out that gaps in time can occur between the arrival of any scripture where it falls on the *Clock* and its fulfillment. We will look at another exciting measurement for the 7th Seal and where the first trumpet may occur in real time later in this chapter.

As for early rapture, it does appear to be a rather late rapture in terms of placement on the timeline since we have now reached the end of the fourth *watch*. I warned my readers years ago that we would all be surprised at the timing of the *Paralambano*, the Greek word Jesus used to mark our entry into the Marriage. Based on a vision given to me almost twenty years ago, I believe we should look for the start of early rapture with the second meteor strike (Rev 8:10) in fulfillment of the third trumpet of the 7th Seal. In the same vision, I saw a later rapture as the number six rang out, at which point far more people were caught up during what I now believe represents the 6th trumpet.

I expect the head wound event to fall as late as the third trumpet, which would place it in the same timeframe as the early rapture. Consequently, I do

The Clock of the Four Night Watches

not expect a catching away to occur before we have seen the rise of the *Antichrist* out of Europe. Remember that the war of Psalm 83 is linked mathematically to Obama's head wound on the *Clock of Psalms*, as shown in the eighth monograph in Chapter 3. In addition, it appears the war of Psalm 83 and the battle of Armageddon are the same event, thus I expect the war of Psalm 83 to mark the point at which the second half of Revelation 19:15 *begins*. It also seems likely that subjugation of the nations will take place over a period of many months.

In special updates at the website, I have discussed in detail why I believe the first through six Seals of Revelation have now opened. That does not mean all the events associated with each Seal have yet occurred, as their affects are compounding over time until their combined weight brings about the final destruction of modern Babylon. Again, the prophecies of the Bible are rarely fulfilled in one day.

If all but the final Seal has opened, that means we have waited for the *Clock Prophecy* to end before the outpouring of God's wrath during the 7th Seal.

The Arrival of Critical Mass in 2016 and How it Points to Sukkot in 2018

This points to the portion of the *Clock* marked by a partial black ring beginning at 6AM. If we fill in the blackened portion of the *Clock* image, or if we measure the full duration of a 12-hour clock using the same metrics that gave us 2086 days in eight hours of prophetic time, we arrive at mid-July in the year 2019.

This result is about 20 months short of a full generation (Psalm 90:10) when adding 80 Hebrew years to the start date of our final generation in the Spring of 1942. Here is the math for both measurements:

Dec 17, 2010 + (2,086 / 8) x 12 = July 12, 2019

May 11, 1942 + (80 x 360) = Mar 17, 2021

In a moment, we will show 2018 to be the most likely year for the final event of the Second Coming. Since the physical return of Christ must occur not later than a final day of Sukkot in the year of his coming, the Fall of 2020 marks the latest point he may do so for Tabernacles to be fulfilled during the time allotted in Psalms 90:10. It is during the *Feast of Tabernacles*, or Sukkot, that most orthodox Jews

The Clock of the Four Night Watches

believe Messiah will make his first appearance. As Christians, we know it will be his second coming, but we cannot say in which year this must occur. Thus, each year between the *Clock* end date in 2016 and 2020 is a year in which Jesus may return.

A chart of lunar eclipses shown at the end of Chapter 1 shows why I expect the Lord to return immediately after a key lunar eclipse following a protracted period of such eclipses where it falls just before Sukkot in 2018. We will show how these celestial signs (which began 4 days after the start date on the *Clock*) combine with the divine structure of the Bible to mark a final generation of exactly 77 and one half Hebrew years. Again, the math:

May 11, 1942 + (77.5 x 360) = Sept 29, 2018

If indeed Christ re-enters Jerusalem and binds Satan at the start of his Millennial kingdom in the early Fall of 2018, we have just over two years for all the events found in Revelation Chapters 13 through 19 to take place! Since the black ring on the Clock extends to 2019, however, the bodily return of Christ may instead occur in the Fall of that year.

The Arrival of Critical Mass in 2016 and How it Points to Sukkot in 2018

You may recall from our discussion of Daniel's final week in Chapter 4 that Jesus ministered to the Jews for some 1,064 days. I believe his prophecy that he would shorten the days at the end of time (Matthew 24:22) was fulfilled by this period of ministry before his own death! That is why I have talked so much about the remainder of Daniel's final week as a period of 1,456 days, which is the result of subtracting 1,064 days from 2,520 days.

As I also pointed out, the *Feast of Dedication*, or *Hanukkah*, is the memorial linked to number 1,456 in Strong's Greek concordance, and that we reached day 1,456 on the *Clock* just four days before the arrival of *Hanukkah* in December of 2014. That was no coincidence, and now I believe we can see the relevance of late 2014 as it pertains to a penultimate lunar eclipse in a larger eclipse pattern surrounding the *blood moon tetrad* of 2014 and 2015.

When we look at the lunar graph, we see that all the eclipses up to the second *blood moon* in 2014 are in perfect symmetry to the remaining eclipses in the pattern, from the *third blood moon* in 2015 until a final eclipse in January of 2019. Their separation in

The Clock of the Four Night Watches

days is an exact mirror image on both sides of the center point.

Jesus said he would return immediately after the darkening of the Sun and moon, and we expect him to return on a day of *Sukkot* during the *Feast of Tabernacles*. Since the second lunar eclipse of 2018 is the only full eclipse immediately before *Tabernacles* in any year of the series, it is therefore the last qualifying eclipse to mark the end of our final generation, as no such eclipse will occur again until *after 2020!*

It is notable that September 29, 2018 is also a Sabbath. The significance of Sabbath during *Sukkot* is that it may have marked the Lord's birth in 3BC, which in that year also fell during the month of September! I believe the Lord may indeed return on this particular Shabbat in 2018.

Now let's look at what happens when we subtract the carry-over from Daniel's final week, or 1,456, from the date of the only Sabbath during *Sukkot* in 2018.

Sept 29 2018 - 1,456 = Oct 4, 2014 (*Yom Kippur*)

The Arrival of Critical Mass in 2016 and How it Points to Sukkot in 2018
A simple check will reveal that this date in 2014 was exactly the date of *Yom Kippur!* I believe the remaining portion of Daniel's 70th week began on this very date on the modern Jewish calendar.

Why is this date significant? First, *Yom Kippur* is the most solemn religious fast of the Jewish year, and the last of ten days of penitence that begins with *Rosh Hashanah*. In fact, this key placement introduces the *Antichrist* figurehead by providing the only mathematical link in Revelation that can reveal his identity! Here is proof that Revelation 13:11, which describes the arrival of the *Second Beast*, fell on exactly *Rosh Hashanah* in 2014:

Dec 17, 2010 + (221 x (2,520 / 404)) = Sept 25, 2014

The magnitude of these convergences is that they establish the identity of *Antichrist* by reason of his age in Jewish reckoning, as explained in Chapter 6. The *Clock* has identified Assyrian (Germanic) descended Prince William Arthur the Duke of Cambridge as the man to become the *Antichrist* figurehead. As expected, he will come out of a revived Roman empire.

The Clock of the Four Night Watches

The only world figure with this connection to the arrival of Revelation 13:11 on the *Clock* by reason of his time of birth is Prince William of the United Kingdom. The Prince met with President Obama in the Oval Office in an unannounced meeting just ten weeks later on December 8, 2014, days from the *Feast of Dedication* and the arrival of day 1,456 on the *Clock*! I might add that on the same day of this White House meeting, my YouTube channel recorded exactly 666 views for the first and only time in six years of ministry.

For these and many other reasons, I believe the final event of the Second Coming, as well as all the events of the 7th Seal, will take place between the *Clock* end date in 2016 and September 29, 2018!

Let us now examine the verses in Revelation that pertain to the events of the 7th Seal. If we take time to count them up, we find that there are 101 such verses. I should point out that these verses are not contiguous, but rather leap across large portions of the text, sometime skipping entire chapters at a time. At any rate, when we calculate the amount of time

The Arrival of Critical Mass in 2016 and How it Points to Sukkot in 2018
these 101 verses represent using Daniel's Master
Prophecy Number, here is what we find:

$$101 \times (2,520 / 404) = 630 \text{ days}$$

You may note that 630 is exactly one quarter of the value of Daniel's 70th week, or 2,520 days. This is indicated, of course, by the fact that 101 verses is also one quarter of the number of verses in the book of Revelation, or 404 verses. This would suggest that all the events of the 7th Seal are to occur over a period of not more than 630 days. By subtracting these 630 days from the key date in 2018 already discussed, we derive the point at which the 7th Seal may actually open in real time. Here is the math:

$$\text{Sept 29, 2018} - 630 = \text{Jan 7, 2017}$$

This date in 2017 is exactly 630 days before the arrival of September 29, 2018, and may mark the opening of the 7th Seal. It could also open in late 2016, as there may be a gap in time between the final trumpet of the 7th Seal and the day of the Lord's bodily return. Rosh Hashanah in 2016 itself could mark the point at which the 7th Seal opens, as this

The Clock of the Four Night Watches would be just 17 days after the conclusion of our current year of Jubilee. We will discuss the year of Jubilee in a moment.

January 7 was the same date in 2012 that we reached Psalms 29:7 on the *Clock of Psalms*, in which the Psalmist describes a comet in the heavens. This could well point to the first meteor impact of the second trumpet (Rev 8:8) near the start of several destructive military campaigns by the *Antichrist*.

Since the purpose of the *first Seal* was to mark the start of the divine conquest of Christ in late 2012, I believe we can expect a progression to the events of the 7th Seal shortly after the *Clock* ends. I look for the head wound event described in Revelation 13:3, and the rise of the *Antichrist* out of Europe, to take place shortly after September 2, 2016. The placement of Revelation 19:15 on that date points to the start of Armageddon, which I believe to be the same battle as the War of Psalm 83. Note that this event in Psalms is found in the same prophecy matrix as the head wound event in Revelation Chapter 13.

The Arrival of Critical Mass in 2016 and How it Points to Sukkot in 2018

Before we move on to a summary of this end time message, we need to review our place during the year of Jubilee that comes to an end just 13 days after the *Clock* end date on September 2, 2016. It is the arrival of the Jubilee year that has convinced many we are about to experience the Rapture, and indeed this point of inflection on the *Clock of the Four Night Watches* is an exciting reminder that it is near. Please see Chapter 5 for a full discussion of Rapture timing.

The importance of the Jubilee is that it brings the release of all prisoners throughout the land and the alleviation of all debts to its inhabitants during the year that it occurs. It takes place every 49th year and ends one year later. While modern Israel no longer applies this instruction from the Almighty, we can expect that God will do so on behalf of his obedient children in the churches near the Lord's return.

Most of us understand the prophetic significance of the 6-day war of 1967, when Israeli forces recaptured the city of Jerusalem from the Egyptian armies during the summer of that year. In fact, 50 years earlier in late 1917, British General Edmund

The Clock of the Four Night Watches

Allenby was victorious in liberating Jerusalem from the Turks, bringing about the genesis of conditions necessary for the rebirth of modern Israel.

Many believe these two events represent two Jubilee fulfillments in which God moved Jerusalem closer to Jewish control. If that is true, it means we have an important marker in time from which to count forward to a final Jubilee where it falls just days after the *Clock* end date!

Using June of 1967 as the start of a new Jubilee, we have only to count down to the next year of Jubilee using God's established count of days as found in the book of Daniel. In other words, we must ignore the Gregorian method of counting and count a year as 360 days, just as Daniel did. The math for this is quite simple:

6-Day War of 1967

June 5, 1967 + (50 x 360) = Sept 15, 2016

It is true, of course, that a year of Jubilee begins at year 49, and ends the following year. This current Jubilee thus began in September of 2015 and will

The Arrival of Critical Mass in 2016 and How it Points to Sukkot in 2018 conclude in mid-September of 2016. As already explained, this does not mean that Christ must return physically during the *Feast of Trumpets* in late 2016. Rather, we expect the *Clock* end date to mark the start of Armageddon and the opening of the 7th Seal shortly after.

Many are swayed by modern church teaching that a generation is equal to exactly 70 (Gregorian) years, but the Psalmist had no knowledge of our modern calendar when he wrote in Psalms 90 that our days are *between* 70 and 80 *Hebrew* years. What this means is that the length of a generation is not a fixed number, and is based rather on the length of a biblical year, or 360 days. I therefore believe the physical return of Jesus Christ will occur between the *Clock* end date in 2016 and the final year of an 80-year generation as late as the Fall of 2020.

Combined with a dozen or more social, geophysical, archeological, political, and celestial events and their mathematical placements on the *Clock*, we have now been given divine evidence that the *Clock Prophecy* is real. Throughout the text of this little book, we have established a number of key mathematical links

The Clock of the Four Night Watches
in fulfillment of Revelation 10:10,11, pointing to the
completion of the things John saw by connecting his
prophecies in the book of Revelation to equivalent
prophecies in the book of Psalms.

Remember that the return of Christ is not about the
end of the world, but rather the start of a new world
under his divine authority and rule. It is my prayer
that the *Clock of the Four Night Watches* has edified
you on your journey and will serve to guide you
during the remainder of these last days. I hope you
will share it with your Pastor, friends and loved ones
while there is still time to do so.

God bless as you continue to hear what the Spirit is
saying to the churches...

“Behold, I come quickly!” (Rev 3:11)

Summary of the Clock Prophecy

The purpose of this end time message is to show that we are indeed the final generation before the return of the Lord Jesus Christ. What began with a decree for the rebirth of modern Israel on May 11, 1942, will come to a close within 80 Hebrew years not later than the Fall of 2020. The *Clock Prophecy* is supported by two end time witnesses using Daniel's Master Prophecy Number, linking key prophecies in (1) the book of Revelation and equivalent prophecies in (2) the book of Psalms.

Christ alone has been given divine authority to conquer the kingdoms of this world (Rev 11:15), as affirmed by a key Bible matrix connecting two prophecies written nearly 1,000 years apart! The divine structure of the Bible places Christ on the *White Horse* of Revelation at its point of arrival on the *Clock* in late summer of 2012. In the same week, the world's largest storm in recorded history occurred ^[4b] as we moved through the words of John in Revelation 6:1 on the *Clock*, "...when the Lamb opened one of the Seals." Completing this matrix, the same passage intersected with the words of King

The Clock of the Four Night Watches

David in Psalms 40:7, “*Lo, I come, in the volume of the book it is written of me.*” (See Chapters 1, 2, and 3 for full documentation.)

The Second Coming is an event already in progress and the conquest of Christ will continue to be fought from the spirit world until he returns bodily at the end of the Age. While the start of early Rapture is imminent, most Christians will not experience this due to the Lord’s teaching that his harvest will be divided, thus many are called but few are chosen to enter early into the Marriage (Matt 22:14.) The early gathering of barley will be followed by a harvest of wheat, and finally grapes, who are the martyrs for Christ during Great Tribulation.

We look for President Obama to fulfill his role as the *First Beast* of Revelation due to his placement on the *Clock* in Revelation 13:3. His near-fatal head wound will trigger the rise of the *Antichrist* out of Europe, an individual whose identity is revealed in Chapter 6 of this book. The *False Prophet* is a third individual, thus Barack Obama is not the *Antichrist* but rather his forerunner. Obama will become the only world leader in history to be represented in public by a

synthetic image of himself, described by John as the *“image of the beast.”* This will no doubt require use of advanced robotics and a neural link connecting the disabled Obama to his facsimile, making it possible for him to *“...give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.”* (Rev 13:15)

The European *Antichrist* will soon promote the fallen US President and restore him to public office, after which he will bring about the **MARK** under the guise of peace and safety. The War of Psalm 83 will likely take place in late 2016, perhaps only days after the *Clock* end date and just before the revelation of Messiah to the Jews. That is when the nation state of Israel will at last perceive the identity of the Messiah!

The 7th Seal will bring the Lord’s conquest of the nations to completion, but not before the outpouring of God’s wrath upon the Beast and those who take his **MARK**. There will be a late Rapture at the last trump for those who are alive and remain, meaning those not taken early must remain faithful and endure until the end, just as Jesus said. (Matt 24:13)

Q&A

Q: Most Bible prophecy teachers say the *Antichrist* will be a Jew, and that he will "come in his own name," thus fulfilling the words of Jesus that he will be received by them as the Messiah. Why do you teach the *Antichrist* cannot be a Jew?

A: The one who came in his own name as a Jewish Messiah was Shimon Bar-Kokhba, the leader of the Jewish revolt against Rome between 132 and 135AD. It was only after his remarkable military engagement with Rome that Jerusalem was razed to the ground, just as Jesus prophesied. Both of those prophecies were fulfilled at the same time.

Remember that Daniel said the final world tyrant will acknowledge no god, not even the god of his fathers. How could any Jew be embraced as the Messiah if he repudiated the God of Israel? Also, the prophet Isaiah describes the contempt that Israel will hold for the *Antichrist* when they form an agreement with him in the last days. Here is what Isaiah wrote:

"Because ye have said, We have made a covenant with death, and with hell are we at agreement; when

The Clock of the Four Night Watches

the overflowing scourge shall pass through, it shall not come unto us: for we have made lies our refuge, and under falsehood have we hid ourselves..."

Isaiah makes it clear that Israel will not view the *Antichrist* as a friend of the Jews, much less as their Messiah. Israel's only motivation for entering into this agreement with the *Antichrist* is to stay one step ahead of its enemies in the region.

Q: You say the *Second Beast* of Revelation is the *Antichrist*, and that the *False Prophet* is a third individual. Since Revelation says the *Second Beast* will direct worship to the *First Beast*, does this not show that *Antichrist* is the *First Beast*?

A: Worship takes many forms. The Babylonian King Nebuchadnezzar pre-figured a future *Antichrist* who will be embraced as a political idol, not as god himself. That is why there are three 6's in 666. There are two beasts representing secular Babylon, while a third 6 represents religious idolatry and *false* worship. *The Pope is the third 6 already being worshipped by millions of people!*

If You do not Know Christ

The purpose of end time prophecy is to reveal God's love for us through his Son Jesus Christ. If you do not have a personal relationship with Jesus, this may be your last chance. I invite you to enter the Kingdom of God by calling on the name of the Lord right now.

Jesus said, "Verily, verily, I say unto you, He that heareth my word, and believeth on him that sent me, hath everlasting life, and shall not come into condemnation; but is passed from death unto life." (John 5:24)

Do you believe that Jesus died for your sins and rose from the dead? If you say "yes" to God in prayer as you read these words, you will be saved. You may also want to pray the following words:

"Lord Jesus, I ask you to forgive my sins. Please give me eternal life as your Word promises for those who call on your name. I believe you were raised from the dead and have become my Lord and Savior. Amen."

You also need to make your confession public through water baptism, as Jesus instructed. Remember to start every day with prayer, study God's Word, and always keep Jesus first in your life!
