

## **Podcast Transcript for April 4, 2025**

Friends, now that the PM layer of the Clock has ended, and with it the half hour of silence in heaven, we look for the first Trumpet of Revelation, which I believe we find in the prophecy of Ezekiel, a passage we reviewed in an earlier update.

Reading from Ezekiel 20 verses 46 and 47:

*"Son of man, set thy face toward the south, and drop thy word toward the south, and prophesy against the forest of the south field; And say to the forest of the south, Hear the word of the Lord; Thus saith the Lord God; Behold, I will kindle a fire in thee, and it shall devour every green tree in thee, and every dry tree: the flaming flame shall not be quenched, and all faces from the south to the north shall be burned therein." (Eze 20:46,47)*

The importance of this, I believe, is that Iran's refusal to give up its atomic weapons program may bring us to the actual use of such a weapon in southern Israel, which would explain President Trump's dire warning about the imminence of US military involvement.

Everything going on right now points to Critical Mass this Spring, and that means the start of early harvest, but also the Obama event in fulfillment of Revelation 13:3.

All of the events we know to be associated with the first three Trumpets are contained within a narrow window of time before the Summer Solstice in the year we reach Critical Mass.

In other words, if these events are going to occur in 2025, I believe they must begin during the Spring, which is why I expect to see the first Trumpet in April or May.

Regarding Iran, there may be an apparent resolution in which the Iranian government pretends to capitulate to US demands, bringing us to the words "peace and safety" just before a massive fire erupts in southern Israel.

Ezekiel's description may be about an atomic detonation, or it may be something less dire, but without question we are very close.

This will bring us to the First Trumpet and lead quickly to the Obama event, after which the Second and Third Trumpets will take place before the first day of Summer.

**While it seems almost impossible for us to move past 2025 without reaching Critical Mass, we will address that possibility if necessary later in the Spring.**

**I don't know if there will be a new written Update or if these Audio Alerts will go on for much longer, so keep me in your prayers and and keep Watching!**

**Meanwhile, I am uploading a map of western Europe and also Israel, as part of an interim update to show that the distance between Rome and Jerusalem is 1,440 miles.**

**The significance of this is that the destruction of the Vatican at the second Trumpet will signal the catching up of the 144,000 and also the rise of the Antichrist.**

**You already know that William turned 41 in 2023 on his birthday on exactly day 1,440 of the Clock, a witness to his role in bible prophecy that will be realized once we reach the opening of the 7th Seal!**

**I hope to catch up with you soon...**

**God bless as you continue to hear what the Spirit is saying to the churches:**

**"Behold, I come quickly!"**
