Friends, this is a Clock Prophecy Alert for September 13, 2025.

This past week has been very difficult for those of us who are the friends and family of Christian political organizer, Charlie Kirk.

I know that Charlie was much more than that, he obviously played a key role in bringing Donald Trump back to the presidency.

But this message is not about where we are politically, rather it's about why I believe Charlie's death is a signpost for where we are on the timeline.

Most conservative influencers right now are speculating on who will fill Charlie's shoes to become the new voice for Turning Point USA.

The Holy Spirit has led me to understand that the reason the Lord has permitted this murder to take place is because we are about to enter the final stage of war between the Lamb and the Beast when the world comes against the Church.

The man that killed Charlie was motivated by demon spirits that answer to Lucifer, but far more demons are now preparing to destroy all the churches, burn all the Bibles, and kill all the Christians.

Some of you will be raptured out of situations that you might never have thought possible until this week, while others of you may be called to give your lives for Christ in order to strengthen those around you.

The harvest won't begin until after the first beast is back in power, which I expect to take place later this year, although it may occur after the start of the new year.

I am aware of the upcoming UN meeting to adopt a mandate by which Israel would be forced to share its borders with radical Islam in a reversal of its own security mandate.

This resolution by the UN has already been partially adopted, but should it go into full effect, I believe the fuse that takes us to the head wound and to the start of early harvest will be very short.

We seem to have waited forever, as our vigilance has taken us past the AM Clock layer and now the PM layer of the Clock, with no further layers to anticipate.

The next milestone if we don't reach the head wound soon, will be the Man-child's 13th year in the Spring of 2027, at which point the takeover of the nations will begin.

I pray for all of my readers including those of you who have more recently come on board, and I am especially grateful for those of you who have stood with me from the beginning, several of you for many years.

We all know there is excitement about a September Rapture, but you already know why I don't expect the harvest to begin here, even if we are extremely close.

Pray according to Luke 21:36 that you be accounted worthy to escape all these things as you continue to hear what the Spirit is saying to the churches:

"Behold, I come quickly!"
