

## **Podcast Transcript for November 26, 2025**

**Friends, this is a Clock Prophecy Alert for November 26, 2025.**

**We are now entering a Watch Window marked by Barack Obama's true date of birth, November the 26th. [See The 7 Thunders of Revelation for more about that]**

**This Window will continue until we reach the end of 6-6-6 on the Clock of the Four Night Watches on January 13th, 2026.**

**Minute 6:66 on the Clock will be in effect for four and a third days beginning January the 8th.**

**We may or may not see the rise of the first beast between now and mid-January. Real time fulfillment could occur inside this 7 week window or it may be only a signal that the time is close.**

**As you know, I believe the 12 day war in June marked the first Trumpet and that we are now watching for Barack Obama to be involved in a false flag that returns him to power.**

**Before the Clock's PM layer ended last March, I expected my work with the Clock to have ended, but instead God has moved me to measure time going forward using the Daniel Key.**

**I continue to believe we will reach the start of early harvest next Spring, and that temple construction will begin as late as 2027 before completion in late 2029.**

**Although various measurements point to 2026, there are Clock vectors pointing to the Antichrist into late 2028. The Prince will experience two stages of elevated authority once the 2nd Trumpet decimates Europe.**

**The first stage will be his command role for the restoration of order across the continent, containment of fire, restoral of communications and power, and removal of the dead.**

**This difficult period of recovery will last for years, but the immediate goal of the authorities will be to restore or even redraw the boundaries of EU states whose borders have been virtually erased as a result of the shock wave.**

**The 2nd Trumpet will reduce the 27 EU member states that we know today to just ten, and that will bring William to the second stage of his role as the Antichrist.**

**The Prince will rule over a ten-nation coalition for one hour on the Clock, meaning a period of just 9 months to perhaps a year before the final collapse of modern Babylon.**

The numbers suggest that William's initial role could begin next Summer, meaning the 2nd Trumpet will have to occur by mid-Spring, whether as a result of a meteor impact or a massive volcanic eruption, or both.

By the way, when I refer to a third of Europe, I am not including Russia, only those nations west of Russia, primarily Italy, Germany, France, Greece, and the Baltic states.

If the Prince comes to power next year, I expect his one hour of rule with ten kingdoms to begin in late 2027 before coming to an end in the second half of 2028.

Many measurements point to the 2nd half of 2027 and the 2nd half of 2028 where 666 related numbers appear, suggesting these are the primary years William will rule over Europe.

I discovered only a few weeks ago that a planetary alignment will take place in our solar system on January the 9th, one day after 6-6-6 arrives on the Clock!

We are still keeping an eye on 3i/Atlas which won't be at its closest approach to the Earth until the week before Christmas.

Yet another object, called C / 2014 UN-271, a massive spherical rock about 85 miles across will go around our Sun in early 2031 before returning to the outer reaches of our star system.

We are still waiting for the sign of the Son of Man in heaven, which may be the micro-nova called T Coronae Borealis, or it may be something more dramatic than anything we imagine.

Our social order is declining, with persecution of both Israel and Christians on the rise, but God will soon respond to the forces of darkness with his Trumpets of Judgment.

If you read Revelation 18, you will see that God tells us to rejoice over these calamities, calling us to depart out of her (referring to modern Babylon) during this time of upheaval.

I see this as a Rapture passage, just as my latest song cites Revelation 16:15, another Rapture verse that comes before the battle of Armageddon.

It is interesting that these rapture verses, when combined with the catching up in Revelation 12 verse 5, adds up to three groups of harvest, and that is exactly what we find in the Vineyard parable where four groups are paid in an order they don't expect.

The one group not related to rapture has to be the dead in Christ, therefore the catching up of living saints must be divided into three departures – one pre-wedding and two post-wedding!

I hope you will share this message and also my songs of prophecy in the time we have left.

God bless as you continue to hear what the Spirit is saying to the churches:

“Behold, I come quickly!”

Peter John Brandal
