## **for January 6, 2026**

**Friends, this is a Clock Prophecy Alert for January 6, 2026.**

**As I said in the current Special Update, the Daniel Key isn't meant to provide actual dates of prophetic fulfillment, and while that is true, the evidence for the start of early harvest this Spring is overwhelming.**

**The key is whether the head wound to the first beast takes place by mid-Spring, as that will determine whether the Man-child is caught up before Summer.**

**As for the 2nd Trumpet, which may occur before or after the head wound, due to both events being so tightly linked, either will mean that we have reached the start of early harvest.**

**We can be sure that the head wound verse must be fulfilled before the first Rapture, so we have an unmistakable marker that makes Fall Rapture date guesswork unnecessary.**

**With Clock time 666 arriving in a few days, I want to talk about the rendezvous that 3I/Atlas is going to make with Jupiter on March the 16th of this year.**

**This date is showing up a lot in my work with the Clock. One striking example is when adding the Signal Code to the arrival of Revelation 13:3 on the Clock. This results in Clock time 7:21 and vectors to exactly March 16, 2026!**

**Is it possible that 3I/Atlas will spark fusion in Jupiter turning it into a star? Yes, and if that happens, it will become a red dwarf, glowing as brightly as the moon and visible both night and day, but reddish in color.**

**It may be that the Sign of the Son of Man in heaven is a newborn star in our nighttime sky!**

**We can be sure the forces of darkness will soon launch their ET ruse in an attempt to stop Christ and his army from taking over the nations.**

**Fortunately, the 144,000 Hebrew princes will be in their immortal bodies, meaning we are likely to see them gathered for battle and hear their song as stated in Revelation Chapter 14!**

**Remember that even without dire news during 666 on the Clock this week, Critical Mass may occur this Spring.**

**Regarding Iran, President Trump's promise to intervene there may be seen by the globalists as an impassable red line, forcing them to launch their desperate false flag before returning the first beast to power.**

**I have uploaded a PDF of the Christmas Special Update and the current Special Update put out a few days ago, both accessible from the Prior Year Update section under the PDF option.**

**Stay in prayer and remain vigilant as you continue to hear what the Spirit is saying to the churches:**

**Behold, I come quickly!**
