**THE SIGN OF THE SON
OF MAN IN HEAVEN
(Matt 24:30)**

Friends, I was recently led to open Matthew 24:30, where Jesus prophesies the Sign of the Son of Man in heaven, so let's begin by reviewing this important passage:

“And then shall appear the sign of the Son of man in heaven: and then shall all the tribes of the earth mourn, and they shall see the Son of man coming in the clouds of heaven with power and great glory.” (Matt 24:30)

I believe this sign in heaven will be far greater in magnitude than what many are expecting, and after receiving confirmation that comet 3I-Atlas is linked to this event, I believe Jupiter may somehow be ignited by the comet to become Earth's second Sun!

Such a marvel would defy scientific explanation and dramatically fulfill the words of Jesus, yet something even more remarkable may appear in the heavens soon.

An ark, a ship, or some kind of heavenly chariot, could become visible above the Earth before the 144,000 Hebrew princes are removed this Spring!

I believe the forces of darkness will respond to this event with a diabolical ET psyop, leading the world into strong delusion even as the first beast rises to power.

I was led to vector this verse in Matthew to the Clock, and the result is stunning, as it marks both the arrival of 3I-Atlas and the Man-child's 12th birthday in April!

Verse mark 24:30 reduces to 2:43 on the Clock, and to find where this falls in Revelation, we simply count the number of minutes after 10 O'Clock, then apply the Daniel Key:

PM Layer start date = 07.12.19 (10 O'Clock prophetically)

10:00 to 2:43 = 283 minutes x (2086 / 480) = 1,230 days

1,230 / (2,520 / 404) = 197.17 = Rev 12:4

07.12.19 + 1,230 days = Nov 22, 2022

This takes us to Revelation 12:4, one verse prior to the catching up of the Man-child!

Now we add the Signal Code to arrive at the present:

4.1573 hours = 255.73 minutes

$255.73 \times (2086 / 480) = 1,111.36$ days

Nov 22, 2022 + 1,111.36 days = 12.08.25

December 8, 2025 was eleven days before 3I-Atlas achieved perigee on December 19, its closest approach to the Earth, so let's read that passage to see where this is going:

“And his tail drew the third part of the stars of heaven, and did cast them to the earth: and the dragon stood before the woman which was ready to be delivered, for to devour her child as soon as it was born.” (Rev 12:4)

The angels are portrayed as stars when Michael and his angels war against Satan and his angels, just as comet 3I-Atlas is a star moving through heaven on its way to the magnificent star we call Jupiter!

In the Matthew passage, Jesus says the tribes of the earth will mourn when they see the Sign of the Son of Man in heaven, therefore it must be a display of enormous magnitude.

Comet 3I-Atlas will reach Jupiter on March 16, and the Age Convergence Vector of 1.44 arrives on December 10, 2026, both dates heavily featured on the Clock, thus I believe this splendor in heaven will appear soon!

Lord willing, I will share more about Jupiter and how it connects to the divine structure of the Bible in the next audio message.

The Messianic temple is the temple John measures in Revelation 11, and for which Ezekiel was given exact measurements.

Jesus will occupy the new temple when he returns, thus it is not an idolatrous structure as false teachers often claim.

The size of the new temple will be 765,625 square feet, which is nearly one eighth the size of the US Pentagon, a massive building constructed in only 16 months!

To vector the new temple, we use its square footage as an input to the Clock, which then becomes a base sixty time value:

$765,625 = 7.65625 - .6 + 1 = 8.056$

Since 8:056 is past the PM layer end date, we add the additional time to that vector point in late March of last year, rounding a bit for readability:

PM layer end date = 03.28.25 (6 O'Clock prophetically)

6:00 to 8:056 = 125.6 minutes

125.6 x (2086 / 480) = 546 days (rounded)

03.28.25 + 546 days = 09.24.26

I believe this points to temple construction as early as Fall of this year!

I then found that the size of the temple in square feet is a perfect square, meaning the square root of this number is an integer, meaning a number without a fraction:

$$\sqrt{765,625} = 875$$

Again, we want convert this to a Clock time:

$$8.75 - .6 + 1 = 9:15$$

This result also falls after the end of the PM layer, so we will count forward in the same manner:

PM layer end date = 03.28.25 (6 O'Clock prophetically)

6:00 to 9:15 = 195 minutes

195 x (2086 / 480) = 847 days

03.28.25 + 847 days = 07.23.27

Now let's count the time between these two dates:

$$07.23.27 - 09.24.26 = 302 \text{ days}$$

Temple construction may well take less than one year, but even if it takes longer, no man can enter into it until after the final Trumpet, according to John in Revelation 15:

“And after that I looked, and, behold, the temple of the tabernacle of the testimony in heaven was opened: And the seven angels came out of the temple, having the seven plagues, clothed in pure and white line... And the temple was filled with smoke from the glory of God, and from his power; and no man was able to enter into the temple, till the seven plagues of the seven angels were fulfilled.” (Rev 15:5-8)

Since there is no temple in heaven (Rev 21:22), this can only refer to the rebuilt temple in Jerusalem, therefore no man, including the Antichrist, will step inside the Messianic temple!

Let's look at the events I expect to occur based on my understanding of Clock measurements.

Revelation 13 will open on March 4, so I expect March to be very active in terms of prophetic fulfillment.

Revelation 13:3 opens just minutes before midnight on March 16, the same day 3I-Atlas reaches Jupiter!

Revelation 13:11 marks the rise of the second beast, who is the Antichrist, and opens on May 5, 2026, meaning the 2nd Trumpet should have already decimated Europe by that time.

Revelation 12:14 opens February 7 at Clock time 7:13, and by subtracting the Signal Code from our current Clock time, we see that we were approaching Clock time 2:58 at this point in the PM layer in early 2023:

$$7:137 - 4.1573 = 2.58$$

The Signal Code shows the arrival of 2:58 four days after Revelation 12:14 opens, meaning it falls in the second half of this passage next Wednesday, February 11.

Clock time 2:58 was the time shown to me in the vision, and while fulfillment may not occur until the Spring, we want to be prepared for these events, so lets review that passage:

“And to the woman were given two wings of a great eagle, that she might fly into the wilderness, into her place, where she is nourished for a time, and times, and half a time, from the face of the serpent.” (Rev 12:14)

The woman is Israel, and I believe her flight on the wings of an eagle will be an emergency airlift of Israeli dignitaries by the US military under President Trump!

This operation will carry government officials out of Jerusalem, and prophetically mirrors the catching up of the 144,000, whose own flight will take place during the first Rapture!

In the verse just after the woman takes flight, we find a hidden reference to the second Trumpet, a passage you may want to read from your own bible:

“And the serpent cast out of his mouth water as a flood after the woman, that he might cause her to be carried away of the flood.” (Rev 12:15)

The woman’s flight will be an attempt to escape before the flood arrives, so it may be that President Trump receives advance warning before launching this rescue out of Jerusalem!

I believe the flood in this passage refers to a tsunami caused by a volcanic eruption off the coast of Italy, or it may be a meteor as we have often discussed, meaning the second Trumpet.

The second Trumpet might occur before or after the head wound to the first beast, so whichever comes first, it will mean that the harvest is about to begin!

Please share this message with others and keep an eye out for the next Audio Alert, as new details could be coming.

Remain watchful, stay in prayer, and continue to hear what the Spirit is saying to the churches:

“Behold, I come quickly!” (Rev 3:11)
