50 DAY WATCH WINDOW OPENS

Friends, we have now entered the late 101st year window based on the physical birth date of the Antichrist when combined with the 666-adjusted age of Barack Obama, who is the first beast.

Remember that the Antichrist is the second Beast, not the first. It is he who directs worship to the image, just as Nebuchadnezzar directed worship to the image rather than to himself.

Daniel's prophecy says the final King will recognize only the god of forces, meaning military power, thus we can expect 666 to be primarily atheistic in nature.

The False Prophet is another matter, and his biographical details place him in the temple of god where he claims divine authority -- from his seat of power in Rome at the Vatican. (2 Thes. 2:4)

The late opening 101 window began at the close of Revelation 13:3 (the head wound passage) late on March 7, 2023 and in Jerusalem early on the 8th.

This same 101 year window remains open until we reach Revelation 14:15 on September 7, 2023.

Incredibly, the Daniel Key identifies a 50 day window of critical Watch beginning exactly where the second 101 year window opens, and 50 days before the first 101 window closes on April 26, 2023 -- exactly where Revelation 13:11 (announcing the Antichrist) concludes!

I believe the Antichrist will take the reigns of power in Europe either during this 50 day window or before the second 101 year window closes in early September.

The start of early harvest will mark the catching up of the 144,000 Hebrew boys in Revelation 12:5 and 14:4, with possible fulfillment as early as the first day of Spring, on March 20, 2023.

It may be that conditions under which the catching up of the Man-child (Rev 12:5) takes place will obscure it, however the third Trumpet (Rev 8:10,11) will provide confirmation when a second meteor impacts the Earth at virtually the same time.

Most of these time measurements are explained in The 7 Thunders under Critical Clock Alerts, and I encourage you to read and share them with others.

President Trump continues to be the catalyst moving the globalists into position before Critical Mass occurs, and we can be sure his reelection in 2024 will be resisted at all costs.

The Antichrist team will soon be forced to launch their final false flag, at which point the first beast (Barack Obama) will be returned to power.

Obama's role as "image" will be promoted by the Antichrist until the return of Christ as early as the Fall of 2026, if indeed these measurements bring us to fulfillment during the first half of the 41st year of the Antichrist.

Media hype surrounding government disclosure of UFO's has led me to believe this may be the "strong delusion" prophesied by the Apostle Paul in 2 Thessalonians 2:11.

I have a sense that the False Prophet (Pope Francis) may also play a role in this.

Believers could soon be seen as agents of a hostile extraterrestrial force in a parody invented by Satan to conceal the return of Christ and prevent his takeover of the nations.

The sign of the Son of Man in heaven may also converge with this coming false flag, whatever it may be.

A warning from President Trump on the morning of March 18 regarding his possible arrest this week should not be surprising to those of us who expect the rise of the Antichrist this Spring.

Political events of this sort are exactly what must occur before a takeover of the US government by the Antichrist team, after which the harvest of the saints will begin.

Barack Obama and his senior support in London linked to the British monarchy are in the process of finalizing their takeover plans for both hemispheres.

If indeed President Trump is arrested and physically detained, I expect fulfillment of Revelation 13:3 (the disabling of the first Beast) prior to the closing of our 50 day Watch window in late April!

A Watch window for the first meteor impact, which opened in late January, continues until the first fruits rapture, which will be marked by a second impact at the third Trumpet.

The imminence of the early Trumpets of the 7th Seal brings us back to the question that many have asked -- what about the first Trumpet?

The first Trumpet vectors to the same week as the second Trumpet and may, in fact, be the result of atmospheric pressure beneath the first meteor, producing a shock wave that spreads fire beneath it.

In other words, Trumpets one and two may be part of the same event.

I want to briefly address the outpouring of God's Spirit on the Asbury Christian College campus and on other campuses in the US during the last few weeks.

I would be surprised if this outpouring doesn't continue to spread globally in light of the imminence of early Rapture*, which on the Clock is vectored to the Spring of this year!

The first day of Spring in 2023 is March 20, and the equinox falls at exactly 5:24 EDT.

We discussed this date in a 2022 update last Summer (in both the June and August updates) with an amazing look at the hours listed by Jesus in that passage -- 3, 6, 9, 11.

The hours prophesied by Jesus give us a numeric sequence that we find on the Clock during the 101 Watch window, having entered it just days ago!

*Note: See my article on the four part harvest linked from the home page for an explanation of the "early rapture" and why there are three rapture groups and one martyrs group prophesied in the bible.

While Clock vectors showing our place on the timeline cannot give us exact points of fulfillment, they do assure us that our redemption is very, very near!

A Clock Time update late on March 13 brought us closer to the March 20 window for early harvest -- the earliest possible point of rapture for the first fruits this Spring! (See Revelation 12:5 and 14:4.)

God bless as you continue to Hear what the Spirit is saying to the churches:

"Behold, I come quickly!" (Rev 3:11)
