

# **Podcast Transcript for May 2, 2026**

**Friends, this is a Clock Prophecy Alert for May 2, 2026.**

**In a few days, on May 5th, we reach the opening of Revelation 13:11, the passage that introduces the 2nd beast of Revelation, which is the individual the Clock identifies as the Antichrist.**

**So far, we haven't reached the airlift or the 2nd Trumpet, so if we are to reach Critical Mass in time for a Spring harvest, these things must occur soon.**

**The last hours of Spring are early on June 21st, which marks the Summer Solstice as well as the birthday of the Prince, so we can't rule out Critical Mass in the early weeks of June.**

**If the 2nd Trumpet occurs in the Summer or Fall, it is my understanding that the 3rd Trumpet won't bring us to the catching up of the Man-child until the Spring of next year.**

**In either event, we see clear signs that 666 is preparing to make its move as Obama and his supporters, including the Pope, begin to openly defy the start of the takeover of the nations by Christ.**

**The purpose of my song about Obama is to help you and others prepare for what is about to happen.**

**My new song, Babylon is Fallen, is taken directly from the text of Revelation 18 and prophesies the decimation of a third of Europe at the 2nd Trumpet.**

**I hope you will share this prophetic message with others in the time we have left.**

**In the last few months, there have been mysterious cases of missing persons and in some cases unexplained deaths in areas of high tech research linked to non-human intelligence.**

**I believe these kidnappings or murders are related to the ET psyop we have previously discussed, and that they are an attempt to silence those who were about to expose a Communist takeover plot using aliens as a pretext.**

**Satan already knows that the army of Christ will appear in heaven, so his human agents on Earth (especially the first and second beast) are preparing to challenge the heavenly host and malign them.**

This is what Revelation 13 verse 6 is actually about, so let's read that now:

*And he (meaning the first beast) opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and THEM THAT DWELL IN HEAVEN. (Rev 13:6)*

I believe this points to the appearance of the heavenly host above the Earth, and that his blasphemy will be the lie that aliens are attacking humanity, which will be the pretext for Satan's assault on Christian believers.

The harvest will begin as these events are unfolding, but it won't be over until the Antichrist's rule with the ten Kings of the EU comes to an end in late 2027 or early 2028 based on Clock measurements.

I told my readers many years ago that the Lord said I would be early, but that I didn't know what he meant by this because no explanation was given.

The AM layer of the Clock, which was originally my entire understanding of the timeline, was indeed early in light of the PM layer that was only revealed to me in early 2021.

At that point, I expected we would reach the rise of 666 in either 2023 or 2024, or as late as 2027.

The Clock Prophecy message has certainly been early as it would have to be in order to be prophetic, meanwhile we know this Spring may well bring us to the start of early harvest!

Watch for a declaration of peace followed by an airlift out of Jerusalem, at which point our place on the timeline will be more certain.

God bless as you continue to hear what the Spirit is saying to the churches:

Behold, I come quickly!

Peter John Brandal
