Friends, I want to share why the next 40 days are highly featured in my work with the Clock.

This particular time measurement begins with the number 666.

As you know, the birthday of the Prince is June 21st, and always falls within 24 hours of the Summer Solstice.

When we subtract 621 from 666, the result is 45, and that is the age William will be on his birthday next year, which is a key year in this prophetic message.

I believe his age at 45 will mark either the start of his role as the Antichrist, or the mid-point where he begins to rule with ten surviving EU states after the 2nd Trumpet.

A more involved set of calculations show that William's age relative to his place in Revelation 13 is nearly a perfect reciprocal of the number 221, the verse in which he appears in this passage – Revelation 13:10.

The reciprocal of 222 (which of course is one third of 666) is the number 4-5-0-4, whereas verse 11 of this chapter is the 222nd verse of Revelation.

The fact that these adjacent verses capture where we are in time relative to the age of the Prince one year from now is not a coincidence.

Another set of measurements that I won't go into here are a kind of triangulation showing high activity and possible progression to Critical Mass between May 13th and June 13th of this year.

I believe Critical Mass may occur inside this window before the end of Spring, however if instead we go into the Summer without one or more of these events, then Critical Mass may take place in the second half of 2026.

This would mean that the 3rd Trumpet – and thus the start of early harvest – would fall in the Spring of next year, based on my understanding.

President Trump's trip to China this week may play a pivotal role, so be prepared.

The ET psyop continues to ramp up due to the fact Satan knows the divine army of Christ will soon appear in the skies above us, whereas the Sign of the Son of Man in heaven may appear in the month of August, as we discussed earlier.

That's all for now, I will keep you updated as more news becomes available!

God bless as you continue to hear what the Spirit is saying to the Churches:

Behold, I come quickly!
