JERUSALEM MARKS
80 YEAR GENERATION

Friends, the divine army of Christ will begin its takeover mission only after the *Sign of the Son of Man* appears in heaven (Matt 24:30), which could take place in August.

An initial act of 666 will be to malign the army of Christ as bad aliens, after which the mark of the beast will be used to establish loyalty to the globalist agenda of the Antichrist.

There may be a claim that "good aliens" are assisting humanity, as well, which is why Nephilim hybrids might be used to reinforce the ET deception.

It is certainly possible that God has created life elsewhere in the universe, but if that is the case, they are in the kingdom of heaven and have no desire (or opportunity) to interact with Man in his fallen state.

The ET psyop and Hollywood's portrayal of aliens are bringing about the "strong delusion" Paul said would occur before the return of Christ, which is why I believe the great sign in heaven Jesus foretold in Matthew is extremely near.

I have been going over the sequence of events in my vision and it starts with the first Trumpet, which began in June of 2025 during the 12 day war between the US and Iran.

The first Trumpet is coming to a close with current military action in the Middle East, to be followed by an airlift out of Jerusalem, or possibly Tel Aviv, an event described in Revelation 12:14.

This is followed by the head wound to the first beast and occurs before the catching up of the Man-child (Rev 12:5) between the second and third Trumpets next Spring.

While the second Trumpet might occur late this year, it may instead take place in early 2027.

The rise of the Antichrist in Revelation 13:11 will be a response to the decimation of a third of Europe at the second Trumpet.

The placement of the second and third Trumpet traces back to the vision I received in 2010 when I saw two star-like objects reach the Earth near the head wound to the first beast.

These two objects are described in Revelation 8:7-10 as physical objects that strike the Earth.

While the remainder of this year may be about political chaos and election outcomes, it is possible that we will see the Sign of the Son of Man in heaven and the early events of Critical Mass!

In the last Audio Alert we saw that Israel's declaration in 1950 making Jerusalem its capital city will come to the eighty year mark in early 2030.

We have previously discussed a date in the Spring of 1942 when David Ben-Gurion announced the restoration of Palestine to Jewish control, which I wrote about in my book.

Since both of these are dates of Jewish decree, I believe they hold the key to understanding our place on the timeline.

The significance of eighty years is found in Psalm 90:10 which tells us the days of Man are between 70 and 80 years.

If we add a period of 70 and 80 years respectively to these two dates in modern Jewish history, here is what we get:

May 11, 1942 + 70 years = May 10, 2012

Jan 23, 1950 + 80 years = Jan 22, 2030

The May date in 2012 is very near the date in the "Introduction to the Clock" page which points to the final Passover before the first Seal of Revelation (Rev 6:2) opened in August of that year!

My book deals extensively with how Psalm 40:7 links mathematically to the opening of the first Seal in Revelation, and how 2012 was the year Christ began his conquest of the nations!

The January date in 2030 marks the conclusion of 2,000 years since the Lord's crucifixion in the Spring of 30 AD, the date most scholars believe was the final year of Jesus' ministry.

When we subtract 1,260 days from the date of January 22, 2030, we arrive at August 11, 2026, a vector date just a few weeks from now that we will look at more closely in a moment.

We know that a forward count of 1,260 days begins just after the first beast recovers, and since we anticipate Critical Mass in early 2027, we want to look at a forward measurement from the Man-child's birthday in April of 2027:

April 17, 2027 + 1,260 days = Sept 28, 2030

This result is just two weeks before Tabernacles in 2030, which would require the temple in Jerusalem to be completed for the Millennial Kingdom to begin on time.

In the February 7, 2026 Special Update, we reviewed a measurement suggesting that temple site preparation could begin as early as this September.

According to John in Revelation 15, the temple will stand empty for some period of time in order for all the plagues to be fulfilled:

"And the temple was filled with smoke from the glory of God, and from his power; and no man was able to enter into the temple, till the seven plagues of the seven angels were fulfilled." (Rev 15:8)

Since no man can enter into the Messianic temple during the events of the 7th Seal, that means the Antichrist will also be forbidden to do so!

Now let's consider the significance of the August date vector based on a reverse count of 1,260 days pertaining to Jerusalem.

Since we expect Critical Mass to primarily take place in early 2027, what other prophesied events may occur sooner?

It may be the fulfillment of Matthew 24:30, where Jesus prophesies the Sign of the Son of Man in heaven, a cosmic display of such magnitude that it will mark the imminence of early harvest!

This cosmic sign could begin small, possibly when T. Coronae Borealis goes nova, before expanding to become so magnificent that the return of Christ is unmistakable!

As we wait for confirmation, a prophetic declaration for peace and safety may have already been fulfilled in recent statements by President Trump regarding Iran.

A sudden destruction event is likely to be what causes the airlift out of Jerusalem in Revelation 12:14, which we may see later this year or early in the new year.

Here are the events in the vision I received in the order I expect them to occur:

With so much happening, new messages may be confined to Audio alerts, so I will let you know as things unfold.

God bless as you continue to hear what the Spirit is saying to the churches:

"Behold, I come quickly!" (Rev 3:11)
